Public disclosure information 2014-2015

Employment
In a survey of OHCC students who graduated between 2003 and 2012, 97% of those desiring employment indicated that they are employed. Forty-five percent of graduates indicate that their jobs are closely related to their major field of study. (The national average is 27.3%.) Employment statistics for individual majors are available from the Director of Institutional Research at stevenware@oakhills.edu.

Retention
Data from the 2013-2014 and 2014-2015 academic years indicate that the fall-to-fall retention rate for all students was 70%; first-time freshmen in this period were retained at a rate of 59%; while all students not first-time freshmen were retained at a rate of 74%.

Graduation
The 2014 Spring graduation rate for the 2008 Fall entering class was 52%. This rate is based on full-time, first-time students completing a program within 150% of the normal time required for their program. Many students opt to extend the length of study due to employment needs, family issues or academic achievement goals. The college has no statute of limitations on completing undergraduate programs.
