You will be equipped to serve our Lord. Your love for God and compassion for others will grow. You won’t want to miss it!

Doctrinal Statement

SCRIPTURES: We believe the Scriptures of the Old and New Testaments are all verbally inspired by God, without error as originally written, and our only infallible rule of faith and practice.

GOD: We believe God is the creator and externally exists in three persons - the Father, the Son, and the Holy Spirit - and these three are one God; having precisely the same nature, attributes, perfection, and worthy of precisely the same worship, honor, confidence and obedience.

THE SAVIOR: We believe the Lord Jesus Christ is God manifest in the flesh. We hold to His virgin birth, sinless life, vicarious death, bodily resurrection, His ascension into heaven, His present high priestly ministry, His translation of the church, and His personal premillennial return to set up an earthly kingdom.

THE HOLY SPIRIT: We believe the Holy Spirit is the third Person of the Trinity who convicts the unsaved and affects the full salvation of the believer.

MANKIND: We believe that all human beings are made in the image of God and, therefore, have dignity and worth. We further believe that, through the fall of mankind in Adam, all are sinners by nature and stand in need of regeneration.

SALVATION FOR SINNERS: We believe salvation was provided through Jesus Christ by His substitutionary and sacrificial death on the cross, sufficient for all, taking every legal obstacle out of the way, and that all must be born again or be forever lost.

ETERNAL LIFE: We believe eternal life is the sovereign work of God’s grace given to those who believe and receive Christ.

TWO DESTINIES: We believe the destiny for the believer is to be present (at home) with the Lord and for the unbeliever is to be separated from the presence of the Lord in everlasting punishment.

THE CHURCH: We believe the church is an organism of which Christ is the head, made up of individual believers who have been saved by personal faith in the Lord Jesus Christ through the grace of God and baptized into Christ’s body by the Holy Spirit.

ONE COMMISSION: We believe the great evangelistic and missionary commission given by Jesus Christ to the disciples and to the continuing church is that of making Christ known by word and example and bringing to maturity those who believe by instruction in the Word.
In August of 1925, six men with a vision met under a big oak tree on the shores of Lake Marquette near Bemidji, Minnesota. They asked God for the land to be used as a Christian camp and training facility, and God answered their prayer. Through donations from friends and by using their own money, they accumulated $250 to purchase 14 acres of lakeshore property.

That oak tree became known as the Prayer Oak, and the organization became known as Oak Hills Fellowship. After two decades of ministry in camping, evangelism, and church planting, the second part of their vision began with the development of a training facility. The purpose of this facility, known as Oak Hills Christian Training School, was to provide instruction in the Bible, Christian character, and fellowship. The first graduating class of four men and three women took place on April 8, 1949.

Oak Hills Christian Training School became Oak Hills Bible Institute in 1961, Oak Hills Bible College in 1985, and Oak Hills Christian College in 1998. The name and academic criteria have changed over the years, but the original purpose of teaching and equipping men and women to be effective servants of Jesus Christ continues to guide us.

**Mission Statement**

Oak Hills Christian College is a Christian academic community whose mission is to provide biblically centered higher education which contributes to growth towards Christlikeness and prepares students for effective service in their homes, careers, churches, and communities.

To accomplish its mission, OHCC uses the means of undergraduate higher education, including the study of the Bible as central to the formation of a Christian life and worldview; the study of human thought, history, and culture; the study of theory and skills of Christian ministry; and the application of this learning in ministry and internship experiences.

This academic program is conducted within the context of a Christian college community in which all members are encouraged to treat each other respectfully as persons made in the image of God. Oak Hills seeks to serve a broad section of qualified students who profess faith in Christ and who desire a Bible-centered education. This educational foundation is provided through programs leading to the following degrees.

**BACHELOR OF ARTS / SCIENCE:** Preparing students for professional Christian ministry, further education in graduate school or seminary, or lay ministry.

**BACHELOR’S:** Preparing students for leadership in a wide range of careers and ministry. (Online. See separate catalog)

**ASSOCIATE IN ARTS IN BIBLICAL STUDIES:** Preparing students with a strong biblical base for further education or lay ministry.

**ASSOCIATE’S:** Preparing students to serve in churches, parachurch organizations, or personal ministry or to pursue further education. (Online. See separate catalog)

**ASSOCIATE IN ARTS:** Preparing students with a biblical and general education base adequate for transfer to other colleges.

**CERTIFICATE IN BIBLICAL STUDIES:** Preparing students with a biblical base for further education or lay ministry.

**Objectives**

Oak Hills Christian College strives to see students grow in these five areas.

**GROWING IN FAITH AND WORSHIP:** Students are committed to continuous growth in their trust in, love for and worship of God, seeking to live lives pleasing to him.

**UNDERSTANDING THE BIBLE:** Students will know the Bible and handle it rightly, interpreting it properly for personal and cultural application.

**UNDERSTANDING OUR WORLD:** Students will have a knowledge of human thought, history and culture adequate to understand and critique worldviews, to communicate effectively a Christian worldview of others, and to interact meaningfully with their own and other cultures.

**INTEGRATING FAITH AND LEARNING:** Students will have a biblical worldview, integrating their understanding of Christianity and the world, providing the foundation for a lifetime of continued learning and growth in all areas of life.

**SERVING OTHERS:** Students will have and practice a servant theology of life and will have skills appropriate for effectively serving God through serving others in the home, the workplace, the church and the world.

Our desire is that students will learn to love God wholeheartedly, love people as He does, and influence others to follow Him.

STANDARD OF CONDUCT
The five OHCC objectives (see page 4) are the foundation for each student’s education and experience at Oak Hills. Our standard of conduct is based on the premise that all individuals in our college are committed to these objectives for themselves and for other students.

We believe the Bible is our authoritative guide for faith and practice. As followers of Jesus Christ, we are responsible for living in a way that reflects His character and priorities.

At Oak Hills Christian College we are dedicated to coming alongside each student and facilitating spiritual growth. We seek to encourage them as they develop Christlikeness and will teach or confront in love when needed.

2. Love and pray for the students.
3. Cultivate an environment where Christlike relationships and community are built.
4. Provide a secure and healthy campus to enhance the experience of college life.

COMMUNITY LIFE HOUR
Our Community Life Hour (CLH) provides a time for the Oak Hills community to come together for special times of learning, fellowship, prayer, celebration, worship, and exchange of community information.

Because these services are essential activities in the education program of Oak Hills Christian College, regular attendance is required of all of our on-campus students and is a requirement for graduation. Curriculum

Each academic program includes courses from three areas of the curriculum: Biblical Studies, Christian Ministry, and General Education. Courses from these areas work together to help students develop a Christ-centered worldview and a heart for loving God and serving others.

Students are challenged to grow in knowledge, in critical thinking skills, in communication skills, in character, and in commitment to their faith.

BIBLICAL STUDIES
We believe the Bible is God’s written word and is His clearest revelation of spiritual truth. The Bible functions as our final authority for matters of faith and practice. Consequently, we make the study of the Bible the focal point of our curriculum.

We teach careful and thoughtful interpretation of the Bible based on the historical, cultural, and literary contexts. Surveys of the entire Bible, as well as in-depth studies of particular parts of it, provide knowledge of its content and give opportunity for assessing its meaning and application for today’s world.

The Biblical Studies curriculum includes Bible: Old Testament (BOT), Bible: New Testament (BNT), Biblical Studies Approach (BSA), and Theology (TH).

CHRISTIAN MINISTRY
God desires that we minister to others through evangelism, discipleship, and lives of service. Christian Ministry courses seek to provide the necessary knowledge and skills to serve effectively.

Informative courses dealing with a broad scope of ministry, as well as more specialized courses pertaining to specific ministry emphases, contribute toward helping students implement God’s will on earth.

The Christian Ministry curriculum includes the Student Outreach Program. Each week students are involved in a supervised ministry or service project in Bemidji or a nearby community. By serving others, students are able to put into practice some of the things they are learning and can make a difference in the lives of others.

Christian Ministry curriculum includes Camp Ministry (CA), Christian Ministry (CM), Counseling (CO), Intercultural Studies (IS), Leadership & Ministry (LM) Pastoral Ministry (PM), and Youth Ministry (YM).

GENERAL EDUCATION
In addition to the Scriptures, God has also revealed knowledge through the created order. We believe all truth is God’s truth, and we seek to understand this in our general education courses by studying the nature of humanity, society, communication, aesthetics, and the physical world. Such knowledge helps us understand God, ourselves, and the world, in order to serve God more effectively.

General Education curriculum includes the following components.

Business: To develop and exercise commerce-related skills. The Business curriculum includes Business (BUS).

Communications: To develop and express ideas clearly and effectively. The Communications curriculum includes Communications (COM) and English (ENG).

Humanities: To broaden understanding of the human experience by exposure to the history of human ideas, languages, literature, the arts, and philosophy. The Humanities curriculum includes Humanities (HUM), Language (LA), Music (MU), and Teaching English as a Second Language (TESL).

Social Science: To investigate humanity in a variety of contexts, from individuals to complete societies. The Social Science curriculum includes Addictions Counseling (AD), Cultural Studies (CUL), Government (GOV), History (HI), Psychology (PS), and Sociology (SOC).

Science/Math: To understand the natural world and the scientific approach to learning. The Science/Math curriculum includes Science (SCI) and Math (MTH).

MINISTRY IN ACTION (MIA)
Ministry in Action is a short-term missions opportunity that is offered to all students. Overseas trips take place in late December and early January. Trips in the Americas take place during Spring Break. Students receive credit for MIA participation. These experiences are a great way to learn about what God is doing around the world and see opportunities for future ministry.

Adult & Online at Oak Hills

In keeping with the mission of Oak Hills Christian College to provide higher education that is scriptural, transformational, experiential and missional, the Adult & Professional Studies Department (A&PS) will provide online and non-traditional learning options to ensure that every Christian adult within our region and scope has access to quality biblical higher education.

All students may take online courses as free electives or to fulfill certain course requirements in their degree program. Students should refer to the 2015-2016 Adult & Online Academic Catalog for further information. Students may register for online courses with their faculty advisor. An overload fee will be charged.

The Adult & Professional Studies (APS) online degree programs are built upon a two-year (three term) cycle, with all full-time students normally enrolled in 24-30 credits of instructional courses each year. Courses are offered through the summer with occasional breaks built into the program.

A student load of twelve online credits per semester or more qualifies the individual for full-time status. Modular courses are intensive. If students are working full-time, it usually is recommended that only one course be taken at a time. Exceptions will be considered on a case-by-case basis.

ACADEMIC FILES
Students may view their academic files at any time during normal Registrar office hours. The files must not be removed from the Registrar’s Office.
PRIVACY OF STUDENT RECORDS (FERPA)
The Family Education Rights and Privacy Act of 1974 (FERPA) was written specifically for students and guarantees them three primary rights: the right to inspect and review their education records, the right to seek to amend their education records, and the right to have some control over the disclosure of information from those education records.

Oak Hills Christian College may disclose information on a student without violating FERPA regulations through what is known as directory information. This includes name, address, telephone listing, email address, date and place of birth, photo, major field of study, dates of attendance, degrees awarded, and dates the degrees were received. This information may be disclosed without the consent or knowledge of the student unless the student has notified OHCC in advance of his/her desire for their records to remain confidential. Further information will be given to students at registration.

Students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by OHCC to comply with the requirements of FERPA. These may be sent to: Family & Policy Compliance Office, US Dept. of Education, 600 Independence Ave. SW, Washington, DC 20202.

FREEDOM OF INQUIRY AND EXPRESSION
Oak Hills Christian College does not limit the freedom of staff or students for inquiry or expression, provided they are in pursuit of the objectives of the school and do not infringe on the rights of others.

STUDENT CLASSIFICATIONS
Full-time: a student who is registered for 12 or more semester credits.
Part-time: a student who is registered for at least one course for credit and fewer than 12 total semester credits.
Non-degree: a student who is enrolled for 1-5 credits in continuing education (for credit, non-degree) or auditing.

PROGRAM REQUIREMENTS
Students are required to fulfill the program requirements listed in the catalog at the time of enrollment. If a student selects a catalog later than the one in effect at enrollment, he/she cannot return to the previous catalog.

If a student drops out for more than two consecutive semesters, the requirements of the catalog in effect at the time of re-enrollment must be met.

PROGRAM PLANNING/ADVISORS
Each student is assigned a faculty advisor to assist with academic program planning and to give guidance and encouragement. Even though the student is ultimately responsible for planning his/her program, the faculty advisor provides assistance in class selection and is available when the student needs advice.

ACADEMIC INTEGRITY
Oak Hills Christian College stands on the principles of truth and honesty as essential biblical principles for life. It is expected that these principles will be followed in all academic activity.

Violations of academic integrity include plagiarism, cheating, unauthorized collaboration or copying, excessive revision done by someone other than the student, violating copyright laws, sabotaging another student’s work, or submission of the same assignment for more than one course without prior consent of all instructors concerned. Intellectual dishonesty infractions will be confronted and may result in suspension or dismissal from OHCC.

ATTENDANCE POLICY
Oak Hills Christian College considers class attendance to be a vital part of education and expects students to regularly attend class. We recognize that students have responsibilities and mitigating circumstances that sometimes interfere with class attendance. Our basic attendance policy states: a student who misses more than 25% of the class sessions (excused or unexcused) will fail the course. In some cases the “Extended Campus Absence” policy will apply.

Each instructor has the prerogative to adopt a more stringent attendance policy. This information will be included in the syllabus for each class. Complete details on the OHCC attendance policy are listed on the website (oakhills.edu).

All Adult & Professional Studies (APS) and online students are expected to maintain a regular presence and engagement in online courses and to make satisfactory academic progress. Presence online will be monitored weekly by the instructor and may be monitored at any time by the Director of Adult & Professional Studies.

EXTENDED CAMPUS ABSENCE
A student who must be physically absent from campus for an extended period may complete his/her current courses if the following apply:
1. The reason for the absence is serious physical or mental health illness, hospitalization, death in the family, or similar situation. Documentation must be provided.
2. The student has a GPA of 2.0 or higher and is not on academic probation.
3. The absence is for 50% or less of the semester.
4. The student is current with course assignments and responsibilities.
5. The instructor agrees to continue working with the student throughout the absence.
COMMUNITY LIFE HOUR (CLH) REQUIREMENT
In order to graduate, students must earn one CLH unit per equivalent full-time semester of enrollment at OHCC. Basic requirements for continuous enrollment are as follows:

- 4-year degree = 8 CLH units
- 2-year degree = 4 CLH units
- 1-year certificate = 2 CLH units

Missing more than 11 CLH sessions will result in not earning a CLH unit for that semester.

The CLH requirement will be modified as necessary for Camp Ministry majors, and students with internships out of the local area. There is no requirement for CLH for Adult & Professional Studies (APS)/online students. See the CLH Director for more information.

RESIDENCE REQUIREMENT
In order to receive the following degrees, the student must complete the indicated hours in residence. “In residence” refers to courses completed at OHCC. Basic requirements for continuous enrollment are as follows:

- Bachelor of Arts/Science: 30 hours (15 in biblical studies, 15 in second major). The second major requirement is waived for Camp Ministry.
- Associate in Arts in Biblical Studies: 22 hours (8 in biblical studies)
- Associate in Arts: 22 hours (8 in biblical studies)
- Certificate in Biblical Studies: 15 hours (8 in biblical studies)

Adult & Professional Studies (APS) students should note that there is no requirement to reside physically on the OHCC campus.

Online Bachelor: 30 hours (15 in biblical studies/15 in major)
Online Associate: 21 hours (9 in biblical studies)

CLASSROOM USE OF ELECTRONIC DEVICES
OHCC recognizes the potential benefit and the possible misuse of electronic devices in the classroom. Laptop computers and other electronic devices (cell phones, PDA’s, MP3 players, etc.) are to be used only for class-related activities when used in the classroom. Using them for email, text messaging, Facebook, games, unrelated homework, etc. during class is unacceptable.

Failure to comply may result in the loss of the privilege to use electronic devices during class time for the rest of the semester. Instructors have the authority to ban all electronic devices (including laptops) from class.

COURSE CANCELLATION
Any course may be cancelled due to insufficient enrollment.

COURSE SUBSTITUTION/WAIVER
The college reserves the right to substitute or waive a course requirement. Students must complete a Substitution Waiver Form and get approval from their advisor, Department Chair, Dean of the College and Registrar.

CREDIT FOR PREVIOUS LEARNING
The faculty may substitute previous learning for academic credit. Students must demonstrate they have met the objectives of the course/s to be substituted. Additional policies are available in the Registrar’s Office. The maximum credits for previous learning is 12.

There is no maximum limit on credit for previous learning for Adult & Professional Studies (APS) online students provided that students meet all the required policies of the college.

The College APS students may earn Credit for Previous Learning (CPL) by submitting a portfolio for evaluation by faculty in the respective disciplines. Students entering an APS degree program not meeting the general education requirement will have an appointment with the Adult & Professional Studies Program Director who will estimate the number of previous learning credits the student might earn within the program. Credit for Previous Learning hours can be from a number of different sources, including workshops, seminars, self-study, noncredit classes, training programs and/or work experiences. Please note that the previous learning from these sources must be documented and evaluated by a faculty member in the relevant field for the amount of credit to be awarded.

In the admission process to APS degree programs, the college will provide you with an opportunity to obtain an estimate of the number of CPL credits you can receive once you enter the program. A non-credit online course session will also be available to assist with information on the required documentation.

ADDING AND DROPPING CLASSES
A student may add a class through the 10th day of the semester by seeing his or her advisor.

A student may drop a class through the 10th week of the semester by seeing his or her advisor. Dropping a class after the 10th day of the semester may affect the student’s Satisfactory Academic Progress.

Adult & Professional Studies (APS) students may not add an online class after the first login date of the course. Students may drop a course without academic or financial penalty through day 7, beginning with the first login (start) date of the course. After day 7, a “W” (withdraw) will appear on the student’s transcript for the course. Dropping a class after 7 days will result in owing 100% of the course cost.
WITHDRAWAL
Students need to withdraw from school no later than the 10th day of the semester in order for Satisfactory Academic Progress to remain unaffected. If a student withdraws from school after the 10th day of the semester, the student’s Satisfactory Academic Progress will be negatively affected.

Adult & Professional Studies (APS) students who need to withdraw from a course or the program must do so no later than before the fourth week of the course in order to maintain satisfactory academic progress.

WITHDRAWING FROM THE COLLEGE
Students intending to withdraw from the college must complete the withdraw process prior to the end of the 10th week of the semester. You are required to contact your academic advisor or the ALP Director before beginning this process. The student will need to see the Registrar to fill out the necessary paperwork for withdrawing from the college.

Students who wish to withdraw from the college after the deadline, for non-academic reasons only (e.g., a medical emergency, family crisis, etc.), must see the Registrar to fill out an Administrative Withdraw Appeal. This appeal will require documentation.

INCOMPLETES
If a student has legitimate reasons for needing an extension, he or she must complete and submit an “Incomplete Form,” available from the Registrar’s office, before the last day of class for the semester. Reasons recognized include medical emergencies, physical and/or mental illness, or a family crisis.

All incompletes must be completed by the end of the following semester, with spring semester incompletes to be finished by the end of the summer semester. Any incompletes remaining at the end of this period will be graded an “F.”

Adult & Professional Studies (APS) students must file an incomplete form before the end of a course in order to request an extension. Any incomplete must be completed before the end of the following course in the APS sequence, unless a further written extension is allowed by the instructor and the Director of Adult & Professional Studies. Students requesting an incomplete will not be allowed to enroll in further courses until the incomplete course is completed. Any incompletes remaining beyond the end of the agreed extension period will be graded an “F.”

REPEATING A COURSE
When repeating a course the most current grade will become the official grade regardless of whether the repeated grade is higher or lower than the previous one.

DISMISSAL GRADES
Any student who is dismissed from school after the 10th week of the semester will have the grades WP or WF applied to the courses in which they are currently enrolled. WP will apply to courses in which the student is receiving a passing grade at the time of withdrawal; WF will apply to courses in which the student is receiving a failing grade. These grades do not affect a student’s grade point average.

Any Adult & Professional Studies (APS) student dismissed from the school after the 60% point in a course will have the grades WP (withdraw pass) or WF (withdraw fail) applied to the course, based on the student’s grade at the time of dismissal.

TRANSFER OF CREDIT
General policies for the transfer of credit are as follows:
1. Credits earned through CLEP (College Level Examination Program) and AP (Advanced Placement) will be evaluated by the Registrar on a course by course basis. CLEP courses will be used to waive the course requirement and the credit requirement.
2. Credits earned at other schools with a grade of “C” or better may be transferred to OHCC and applied toward graduation, provided those credits meet the program requirements. Pass/no pass courses will transfer if the pass reflects a 70%.
3. The institution needs to be recognized by an accrediting agency or acknowledged by OHCC.
4. Students may be asked to validate equivalent subjects taken at non-accredited schools. After equivalency has been approved, the credits will be pending official approval until the student achieves a minimum GPA of 2.0. This must be done during the student’s first year at OHCC, or the transfer credits will be lost, except where an articulation agreement exists.
5. The number of credits transferred from non-accredited schools may not exceed 34 semester credits, except where an articulation agreement exists.
6. Online degree-seeking students who have completed courses in other recognized colleges or universities might receive up to 66 semester hours of credit, depending upon the major. The amount of credit, the courses to be accepted, and the method of evaluation will be determined by the nature of the courses and the type of institution.

An applicant who has attended any college or university after graduation from high school must submit an official transcript from each institution. Although the Adult & Professional Studies Program Director will do preliminary transcript evaluations, all evaluations will become official when reviewed by the Registrar.

DEAN’S LIST
In order to qualify for the Dean’s List (determined each semester), students must be full-time, have a semester GPA of 3.50 or above, and must not have a grade below a “C” or a “No Pass” on their transcript for the semester.

GRADUATION HONORS
Graduating BA/BS students who have completed the equivalent of four full-time semesters in residence will be awarded graduation honors based on the following grade point averages:
- 3.90-4.0  Summa Cum Laude
- 3.75-3.89  Magna Cum Laude
- 3.50-3.74  Cum Laude

These honors will be printed in the graduation program.

1. All program requirements must be completed as listed in the catalog at the time of enrollment or in the chosen subsequent catalog.
2. Students must attain a minimum cumulative grade point average of 2.0 in courses taken at OHCC.
3. No grade below a “C” will count toward any BA/BS Biblical Studies major, any BA/BS second major, the Christian Ministry core, Senior Seminar, and program specific General Education courses.
4. Documentation of cooperative credits (Camp Ministry) and transfer credits.
5. Residence requirement must be fulfilled.
6. Community Life Hour requirement must be fulfilled.

SATISFACTORY ACADEMIC PROGRESS

AND ACADEMIC DISMISSAL

Students need to complete their degree in a timely manner. In order to accomplish this, Oak Hills has set forth Satisfactory Academic Progress standards consisting of minimum grade point averages and minimum credits earned per year.

Minimum Grade Point Average (GPA):

In order for any student to graduate with a certificate, a two-year degree, or a four-year degree, the student must have a cumulative GPA of 2.0 or higher.

Minimum Credits Earned Per Year: The maximum time allowed to complete the degree is 150% of the customary time. The graph below indicates the minimum number of credits which need to be earned for each full-time equivalent (FTE) year. The student must complete an average of 11 credits each semester to maintain minimum standards. The minimum number of credits which need to be earned in Adult & Professional studies (APS) for each FTE are listed below under Bachelor’s Degree and Associate’s Degree.

Financial Aid: In compliance with federal and state requirements, OHCC will disperse federal and state financial aid monies to those students who either meet or have the potential to meet Satisfactory Academic Progress.

Transfer Students: Transfer students do not transfer in a GPA. Their cumulative GPA consists of classes taken only at OHCC. Credits transferred to OHCC from other institutions will be counted toward the Minimum Credits Earned Per Year requirement.

Determination of Academic Progress Standing: At the end of each semester, the Registrar will review the cumulative GPA and the number of credits earned for each student. The first time a student fails the minimum cumulative grade point average requirement or the number of credits earned requirement during the semester, the student will be placed on ACADEMIC WARNING. Students placed on academic warning are eligible for continued enrollment and are expected to make progress toward meeting the minimum cumulative grade point average (GPA) and minimum number of credits earned requirement.

Requirements for Academic Warning: Upon conclusion of the warning term, if the student has met the minimum cumulative GPA and number of credits earned requirement, the student’s warning status will be removed.

Academic Dismissal: Upon conclusion of the warning term, those students not meeting the minimum cumulative GPA or number of credits earned requirement will be suspended from Financial Aid eligibility. This includes Federal, State and institutional aid. Students who have lost their financial aid eligibility may petition to continue their enrollment, without financial aid, with the goal of meeting Satisfactory Progress minimum standards by the end of their semester of petition. If a student is not receiving financial they will need to meet Satisfactory Progress minimum standards after the equivalent
of one full time semester. Students not meeting the minimum standards will be suspended from enrollment. The student will be notified by the Dean of the College of their suspension. Students are allowed a maximum of two appeals for reinstatement before a final suspension from Oak Hills.

Reinstatement/Appeal Process: Students suspended from Oak Hills Christian College who wish to return following a suspension period of one semester (this includes summer term), must submit a petition to the Registrar’s Office. The petition should include information on the circumstances that affected past performance and a plan to be successful in achieving future academic progress. All petitions submitted to the Registrar’s Office will be reviewed by the Academic Appeals Committee. Students with an approved petition for academic reinstatement will be placed on academic warning for one term. While on warning, the student will be required to meet the terms set forth by the Committee and comply with the Assisted Learning Program. Students are allowed to receive financial aid while on academic warning. If the student does not agree with the decision of the Committee, the student may appeal to the Dean of the College. The Dean’s decision is final.

If a student fails to attain Satisfactory Academic Progress, he or she will be dismissed again from OHCC. A student is allowed a maximum of two petitions of readmission.

Additional Information Regarding Satisfactory Progress

Repeating a Course: A grade of D, in any four year program, must be replaced or re-taken if they are part of the student’s major. When a course is re-taken the final grade will be the grade of record whether the grade is higher or not. The previous grade will remain on the student’s transcript but will not be calculated in the GPA.

Participation in Extra and Co-Curricular Activities: Students on Academic Warning or Probation are not eligible to participate in any extra-curricular activity (OHCC sponsored with no academic credit earned) or co-curricular activity (OHCC sponsored with academic credit earned).

Withdrawing: Whenever a student withdraws from a course or from school after the tenth day of the semester the course or term will count against the student when calculating satisfactory progress. Online students withdrawing from the college or dropping a course after the first week will have those courses count against them when calculating satisfactory progress.

Revised, 2015

Credit for Military Training and United States Armed Forces Institutes (USAFLI)

Courses for which credits earned while in the military must be listed on official military documents (i.e., DD214, DD295, and Army/American Council on Education Registry Transcript). Other official military documents may be used as the basis for evaluation at the discretion of the Office of Admissions, given that they contain the elements necessary for evaluation. Those courses that are eligible for evaluation will be awarded college transfer credits consistent with the Registrar and directives issued by Academic Departments.

ACADEMIC AMNESTY PROGRAM

OHCC has an Academic Amnesty Program which allows for forgiveness (exclusion from grade point calculation) of a maximum of two consecutive semesters for former OHCC students if the student’s poor academic performance was the result of extenuating circumstances (see Dismissal Appeal above). It is designed to permit the readmission of formerly unsuccessful students who present evidence of motivation and the ability to succeed if readmitted to OHCC. See the Registrar to request an application for the Academic Amnesty Program.

Please note: federal financial aid regulations do not recognize academic amnesty.

ASSISTED LEARNING PROGRAM

Oak Hills Christian College has an Assisted Learning Program (ALP) to assist students with disabilities and to help students achieve Satisfactory Academic Progress.

Students on Academic Warning will meet weekly with the ALP Advisor for academic advising. This includes the monitoring of class attendance, assignments, study habits, and time management. Additional requirements may be added if deemed helpful to the student.

Students who do not comply with their ALP contract are also in danger of being academically dismissed before the end of the semester.

Students with Disabilities: Services are provided to students with disabilities under the Assisted Learning Program according to the provisions and guidelines provided in the Americans with Disabilities Act (ADA). When seeking accommodations, the student must provide documentation of disabilities. Accommodations will be determined on an individual basis according to need. This will be established by student interviews and professional recommendations included in the documentation.

Conditional Admission: Students on Conditional Admission will be enrolled in the ALP with the goal of achieving Satisfactory Academic Progress at the end of the first semester. If this is not achieved, the student will be placed on Academic Warning.

Students on Conditional Admission will meet weekly with a faculty member for academic advising. This includes the monitoring of class attendance, assignments, study habits, and time management. Additional requirements may be added if deemed helpful to the student.

Graduation
The 2014 Spring graduation rate for the 2008 Fall entering class was 52%. This rate is based on full-time, first-time students completing a program within 150% of the normal time required for their program. Many students opt to extend the length of study due to employment needs, family issues or academic achievement goals. The college has no statute of limitations on completing undergraduate programs.

Outcomes and Institutional Assessment results may be found on the college website at http://www.oakhills.edu/download_file/view/117/.

ENROLLMENT DEPOSIT
After a student has been accepted for admission, an enrollment deposit of $100 is due. This will be applied in full to the student's fees upon enrollment. The enrollment deposit is nonrefundable.

PAYMENT SCHEDULE
After scholarships and grants have been applied, the balance is due on the first day of class or in two equal installments: half by August 26, 2015 and half by September 27, 2015 (fall); half by January 13, 2016 and half by February 7, 2016 (spring). Accounts not meeting these deadlines will be subject to late charges.

Adult & Professional Studies (APS) students will register and pay for a full term course before the first class begins or in two equal installments: half before start of class and half by the 50% point of the term.
Fall term – October 21, 2015
Spring term – March 22, 2016
Summer term – July 11, 2016
Accounts not meeting these deadlines will be subject to late charges.

PAYMENT METHODS
Students may pay their accounts by grants, scholarships, student loans, cash, check, credit card (VISA, MasterCard, Discover), or ECSI payment plan. Use of payment plan will have an accompanying fee.

COURSE FEES
Some classes require additional course fees due to conference costs, meals, mileage, special speakers, etc. Notification will be on the program page of the catalog and with the course description.

OUTSTANDING BALANCES
Students with outstanding account balances at the end of the semester will not be allowed to re-enroll. Grades, transcripts, and diplomas will not be released until the student's account is paid in full. In the event Oak Hills Christian College has to incur any expense in collecting on a student account, the student will be required to pay all of Oak Hills' costs for collection. This includes, but is not limited to, a collection agency fee and/or attorney's fees at the rate of 25-50%.

DEPARTURE PROCESS
Every student ceasing enrollment during the school year or leaving at the close of the school year must complete the official departure form. The purpose of the form is to indicate that obligations to the Business Office and other school departments have been properly discharged. Transcripts and other records will not be issued until all obligations have been satisfactorily met.

REFUND POLICY
For students fully withdrawing from Oak Hills Christian College before the end of the semester, tuition, room, and board are refunded pro-rata according to federal and state financial aid refund policies. There are no refunds after 60% of the semester has been completed.

MILITARY DEPLOYMENT REFUND POLICY
Refunds are available to those who are called to active duty. Reservists have 3 options:
1. Receive a pro-rata refund. A copy of the military deployment order must be given to the Registrar.
2. Make arrangements with the faculty to complete course work if at least 75% has already been completed.
3. Receive a full tuition credit for a future semester. Admission requirements must be met at the time of readmittance.

EVALUATION OF APPLICATION TO RECEIVE CREDIT FOR PREVIOUS LEARNING
The cost to evaluate a request for Credit for Prior Learning is $50 per credit for which the student applies. Therefore, if you apply for ten credit hours, your cost for those credits will be $500. Please note that receiving all ten credits is not automatic. It is much like enrolling in a course. You pay the tuition for it regardless of whether you earn a passing grade. The grade is based upon evaluation by a faculty member in the field for which credit for prior learning is requested.

TUITION WAIVER FOR PASTORS
Licensed or ordained pastors may take one course each semester and have the tuition fee waived (parking fees, course fees, and textbook costs still apply). A non-degree application and verification of pastoral service are required. *

TUITION WAIVER FOR STUDENT SPOUSES
The spouse of a full-time, certificate- or degree-seeking student may take one course each semester and have the tuition fee waived (parking fees, course fees, and textbook costs still apply). A non-degree application is required. *

*Due to the nature of the Adult & Professional Studies (APS) online program, there will be no tuition waivers for pastors, spouses of full-time students, or family members of college faculty and staff.
OHCC FINANCIAL AID PROGRAM

The Oak Hills Christian College Financial Aid Program is intended to supplement the resources of the student. Accepting the challenge to finance a college education is primarily the student's responsibility. The Financial Aid Office at OHCC is available to students and parents to provide information and answer questions.

Adult & Professional Studies (APS) students may be eligible for financial aid. Eligibility requirements and deadlines vary. Students are encouraged to contact the Financial Aid Office for more information.

FAFSA: FREE APPLICATION FOR FEDERAL STUDENT AID

Oak Hills Christian College requires all students who are seeking financial aid to first complete the Free Application for Federal Student Aid (FAFSA). Our FAFSA number is 016116. This form can be done on-line at www.fafsa.ed.gov. For more information, please contact the Financial Aid Office.

OHCC FINANCIAL AID FORMS

Please contact the Financial Aid Office for the OHCC Financial Aid Application, the OHCC Scholarship Application, and the OHCC Student Employment Application.

SATISFACTORY ACADEMIC PROGRESS

Federal regulations require that all financial aid recipients achieve satisfactory academic progress. This means students must progress at a reasonable rate toward a certificate or degree. (See page 31.)

Any student who fails to achieve Satisfactory Academic Progress will be placed on Academic Probation for one semester, during which time they will continue to receive financial aid. At the end of that semester, the student must meet Satisfactory Academic Progress or financial aid will be withdrawn and the student will be academically dismissed.

FINANCIAL AID PROGRAMS AVAILABLE

Federal Pell Grants: These are need-based grants. Eligibility is determined by the Free Application for Federal Student Aid (FAFSA). All FAFSA applicants will receive a Student Aid Report that clarifies eligibility and award requirements.

Federal Supplemental Educational Opportunity Grants (FSEOG): These are need-based grants. Eligibility is determined by the FAFSA.

Minnesota State Grants: These are need-based grants for eligible Minnesota residents. Eligibility is determined by the FAFSA and a supplemental OHCC Financial Aid Application. In order to receive a full Minnesota State Grant, a student must be registered for 15 semester credits. Awards will decrease accordingly for 14 credits down to 3 credits.

William D. Ford Direct Loans (Subsidized): Eligibility is determined by the FAFSA. These loans are interest-free while the student is enrolled and until six months after graduation or withdrawal. Loan amounts are dependent upon financial need and grade level.

William D. Ford Direct Loans (Unsubsidized): These are non-need based loans for students who need additional funding.

Direct PLUS Loans: These loans are available for parents to borrow for the education of their dependent children. The yearly limit is based on the cost of education minus any financial aid for which the student is eligible.

Private Loans: These programs are designed to supplement existing loan programs. They provide long-term, low-interest loans for students who cannot obtain financing from traditional financial aid programs. The yearly limit is based on the cost of education minus any financial aid for which the student is eligible.

Oak Hills Scholarships and Grants: There are many memorial and special scholarships and grants available at OHCC. Eligibility is determined by the FAFSA and the OHCC Scholarship Application (available from the Financial Aid Office).

On-Campus Employment: Part-time jobs and work study options are available on campus. The basis for hiring is financial need (determined by the FAFSA) and the skill to perform the job. OHCC Student Employment Applications are available from the Financial Aid Office.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

Students need to complete their degree in a timely manner. In order to accomplish this, Oak Hills has set forth Satisfactory Academic Progress standards consisting of minimum grade point averages and minimum credits earned per year.

Minimum Grade Point Average (GPA):
1-32 credits: 1.7 cumulative GPA
33-62 credits: 1.8 cumulative GPA
63 and above: 2.0 cumulative GPA

In order for any student to graduate with a certificate, a two year degree, or a four-year degree, the student must have a cumulative GPA of 2.0 or higher.

Minimum Credits Earned Per Year: The maximum time allowed to complete the degree is 150% of the customary time. The graph below indicates the minimum number of credits which need to be earned for each full-time equivalent (FTE) year. (The student must complete an average of 11 credits each semester to maintain minimum standards). The minimum number of
Students dismissed from Oak Hills Christian College who wish to return following a suspension period of one semester (this includes summer term), must submit a petition to the Registrar’s Office. The petition should include information on the circumstances that affected past performance and a plan to be successful in achieving future academic progress. All petitions submitted to the Registrar’s Office will be reviewed by the Academic Appeals Committee. Students with an approved petition for academic reinstatement will be placed on academic warning for one term. While in warning status, the student will be required to make progress toward meeting the cumulative grade point average (GPA) and minimum number of credits earned requirement.

Requirements for Academic Warning:
Upon conclusion of the warning term, if the student has met the minimum cumulative GPA and number of credits earned requirement, the student’s warning status will be removed.

Academic Dismissal:
Upon conclusion of the warning term, those students not meeting the minimum cumulative GPA or number of credits earned requirement will be suspended from Financial Aid eligibility. This includes Federal, State and institutional aid. Students who have lost their financial aid eligibility may petition to continue their enrollment, without financial aid, with the goal of meeting Satisfactory Progress minimum standards by the end of their semester of petition. If a student continues to attend OHCC while ineligible for Title IV funding, the credit hours attempted during timeframe of suspension will continue to be used up a portion of State Grant aid eligibility (applicable to MN resident students only). If a student is not receiving financial aid, they will need to meet Satisfactory Progress minimum standards after the equivalent of one full time semester. Students not meeting the minimum standards will be suspended from enrollment. The student will be notified by the Dean of the College of their suspension. Students are allowed a maximum of two appeals for reinstatement before a final suspension from Oak Hills.

Reinstatement/Appeal Process:
Students dismissed from Oak Hills Christian College who wish to return following a suspension period of one semester (this includes summer term), must submit a petition to the Registrar’s Office. The petition should include information on the circumstances that affected past performance and a plan to be successful in achieving future academic progress. All petitions submitted to the Registrar’s Office will be reviewed by the Academic Appeals Committee. Students with an approved petition for academic reinstatement will be placed on academic warning for one term. While in warning status, the student will be required to make the terms set forth by the Committee and comply with the Assisted Learning Program. Students are allowed to receive financial aid while on academic warning. If the student does not believe the committee followed the appropriate procedures or considered all relevant information, the student may appeal to the Dean of the College. The Dean’s decision is final. If a student fails to attain Satisfactory Academic Progress, he or she will be dismissed again from OHCC. A student is allowed a maximum of two petitions of readmission.

Transfer Student:
General policies for the transfer of credit are as follows:
1. Credits earned through CLEP (College Level Examination Program), DANTES and AP (Advanced Placement) will be evaluated by the Registrar on a course by course basis. CLEP courses will be used to waive the course requirement and the credit requirement.
2. Credits earned at other schools with a grade of “C” or better may be transferred to OHCC and applied toward graduation, provided those credits meet the program requirements. Pass/no pass courses will transfer if the pass reflects a minimum of 70%. Transfer students do not transfer a GPA. Their cumulative GPA consists of classes taken only at OHCC. Credits transferred to OHCC from other institutions will be counted toward the Minimum Credits Earned Per Year requirement in the SAP evaluation. The Registrar will determine the number of semesters this equals and note it on the student progress sheet. Students are subject to the 150% rule for eligibility including credits earned at eligible institutions prior to attending OHCC.
3. The institution at which credits were earned must be recognized by an accrediting agency or acknowledged by OHCC.
4. Students may be asked to validate equivalent subjects taken at non-accredited schools. After equivalency has been approved, the credits will be pending official approval until the student achieves a minimum GPA of 2.0. This must be done during the student’s first year at OHCC, or the transfer credits will be lost, except where an articulation agreement exists.
5. The number of credits transferred from non-accredited schools may not exceed 34 semester credits, except where an articulation agreement exists.
6. Online degree-seeking students who have completed courses in other recognized colleges or universities may receive up to 66 semester hours of credit, depending upon the major. The amount of credit, the courses to be accepted, and the method of evaluation will be determined by the nature of the courses and the type of institution. An applicant who has attended any college or university after graduation from high school must...
submit an official transcript from each institution. Although the Adult & Professional Studies Program Director will do preliminary transcript evaluations, all evaluations will become official when reviewed by the Registrar.

**Change in major or degree** is not a factor in determining the SAP. The same rules apply to all majors of the same degree length. The same applies to the pursuit of a second degree there are NO stipulations at OHCC on this matter. Summer terms abide by the same SAP policies as other terms.

**WITHDRAWAL:**
Whenever a student withdraws from a course or from the college after the tenth day of the semester, the course or term will count against the student when calculating satisfactory progress.

Adult & Professional Studies (A&PS) students may not add an online class after the start date of the course. A&PS degree students may drop an online course through the first week of the course, beginning with the published start date of the course. The student’s account will be credited 100% of the tuition. A&PS degree students may drop a course in week two or three of the course. A “W” (withdraw) will appear on the student transcript and the course will be included in the annual calculation of satisfactory academic progress (SAP). There will be no refund on tuition. A&PS degree students dropping a course after the end of week three will receive a failing grade for the course. All drops must be documented in writing with the Director of Adult & Professional Studies. Undocumented drops will result in failing grades and assessment of full tuition charges. Please note that dropping a course is different than withdrawing from the program, one results in withdrawal from a given course and the latter refers to total withdrawal from the program. Adult & Professional Studies (A&PS) students who need to fully withdraw from their program must do so no later than the first week of their current course in order to maintain satisfactory academic progress and avoid tuition charges for the course.

**INCOMPLETES:**
If a student has legitimate reasons for needing an extension, he or she must complete and submit an “Incomplete Form,” available from the Registrar’s office, before the last day of class for the semester. Reasons recognized include medical emergencies, physical and/or mental illness, or a family crisis. All incompletes must be completed by the end of the following semester, with spring semester incompletes to be finished by the end of the summer semester. Any incompletes remaining at the end of this period will be graded an “F.”

Adult & Professional Studies (A&PS) students must request an extension from with the instructor and the Director of Adult & Professional Studies before the end of a course. Any incomplete must be completed within 90 days of the end of the course, unless a further written extension is allowed by the instructor and the Director of Adult & Professional Studies. Students requesting an incomplete will not be allowed to enroll in or start further courses after that time until the incomplete course is completed. Any incompletes remaining beyond the end of the agreed extension period will be graded an “F.” At that point, the course credits and grade will be included in SAP calculations.

**REPEATING A COURSE:**
When repeating a course the most current grade will become the official grade regardless of whether the repeated grade is higher or lower than the previous one. Once the repeated course is official, the current grade is used in GPA calculation, but the repeated course and the initial attempt are both counted in credit hours attempted.

**NON-DEGREE STUDENTS:**
Non-Degree Seeking Students are defined as those wishing to enroll in continuing education for credit or audit. Non-degree students may take up to five credits per semester. Financial Aid and Assisted Learning Services are not available for non-degree students. No more than 12 credits taken through this program may be applied to a degree at Oak Hills Christian College. If a person who has accumulated more than 12 credits through this program later applies as a degree-seeking student, he or she may pay for the credits over 12 at the tuition rate in effect at the time class was taken (less any tuition paid at the non-degree rate). Non-degree seeking students must complete the Non-Degree Application.

**General Refund Policy**
Any notification of withdrawal or cancellation and request for refund must be in writing. A withdrawal form must be completed and all necessary signatures obtained. Official Notification of Withdrawal must be done with the Registrar’s Office. On-campus students fully withdrawing from Oak Hills Christian College before the end of the 10th week, will have tuition, room, and board refunded pro-rata according to federal and state financial aid refund policies. Refunds are pro-rata using the formula from the R2T4 calculation found on the FA Access website. There are no refunds after 60% of the semester has been completed. The academic period referred to above is the normal semester (16 weeks) of the College.

**Non-attendance:**
non-attendance does not constitute a cancellation of registration and students will be responsible for paying full tuition and fees after the 10th day of the start of each semester. Students who never attend within the first 10 days of the start of the semester will not be billed or refunded for tuition as long as the student has officially withdrawn with the Registrar’s Office prior to that 10th day deadline. A student who lives on campus during the first 10 days of the semester, but never attends classes will still be required to pay for room and board proportionately.

**Appeals:**
Students and/or parents who feel that unusual circumstances warrant exception from the published refund policy should submit a written explanation of these circumstances to the Director of Financial Aid for further review.
RETURN OF TITLE IV POLICY
When a student is officially or unofficially withdrawn from the College, and the student’s last day of attendance occurs before completing more than 60% of the semester, federal regulations require the College to recalculate financial aid eligibility. The funds must be returned to the following sources in a specific order until the total amount of the college's responsibility has been satisfied. The order is:
1. Unsubsidized Direct Stafford Loans
2. Subsidized Direct Stafford Loans
4. Direct PLUS Loans
5. Federal Pell Grants
6. FSEOG
7. Other Title IV Assistance

After receiving notification that a student has withdrawn, the FAO will perform the Return of Title IV calculation (R2T4) using the Treatment of Title IV Funds When a Student Withdraws from a Credit-Hour Program Worksheet. The Student Financial Aid Office will then return the appropriate funds as determined by the R2T4 calculations.

Title IV funds must be returned within 45 days of the Date of Determination of a student withdrawal. It is very unlikely that a student who withdraws from college entirely after the 10 days would receive a payout to the student who withdrew because tuition, room and board are prorated similarly to the amount of Title IV aid returned to the Department of Education. The return of Title IV aid calculation is performed using the R2T4 calculation online found on the FAA access website. The calculation determines the amount of money that the student earned during the award year and how much money the college needs to send back to the appropriate sources of funding.

Post-withdrawal Disbursement will be made if a student has eligibility for the Title IV funds. If you did not receive all of the funds that you have earned, you may be due a post-withdrawal disbursement. If the post-withdrawal disbursement included loan funds, you may choose to decline the loan funds so that you don’t incur additional debt. Your college may automatically use all or a portion of your post-withdrawal disbursement (including loan funds, if you accept them for tuition, fees, and room and board charges as contracted with the college). For all other college charges, the college needs your permission to use the post-withdrawal disbursement. If you do not give you permission (which some colleges ask for when you enroll), you will be offered the funds. However, it may be in your best interest to allow the college to keep the funds to reduce your debt at the college.

Date of Determination
Official Withdrawals: The date of determination is also the withdrawal date as deemed by the date the student submits a completed withdrawal form to the Registrar’s Office, or the date of notification of withdrawal by the student, whichever is later. Unofficial Withdrawals: The date of determination is the date that the College became aware that the student had ceased attendance, but no later than 30 days after the end of the semester.
