RESPONSIBILITIES

The Student Life Department, in partnership with the OHCC administration, faculty, and staff, is responsible for setting the tone for building biblically healthy relationships in our college community.

To fulfill this mission, we oversee and/or collaborate in the following services and programs: Orientation, Residence Life, housing, discipleship, shepherding, discipline, spiritual counseling, counseling services, health referrals, intramurals, student activities, career development (with the Academic Department), Security (with the Facilities Department,) and Athletics.

BIBLICAL VALUES

The Bible is our authoritative guide for faith and practice at Oak Hills. As followers of Jesus Christ, we are all responsible for seeking to live in a way that reflects His character and priorities on and off campus. We are committed to coming alongside each student to facilitate and encourage spiritual growth, to confront, support and provide guidance when needed and celebrate when to Christ-like growth occurs.

LIFESTYLE- The Bible establishes basic values for character and behavior. We believe these biblical values will show themselves in a distinctly Christlike way of life. This lifestyle involves pursuing attitudes and actions that the Bible described as God's values, and fleeing those that are contrary to Scripture. According to the Scripture, followers of Jesus Christ will demonstrate evidence of the Holy Spirit within them through characteristics such as:

- Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control (Galatians 5:22-23).
- Loving what God loves and hating what He hates (Romans 12:9).
- Protecting the God-given worth of all human beings (Genesis 1:27, Psalm 139:13-16).
- Upholding sexual purity among the unmarried and the sanctity of marriage between husband and wife (1 Corinthians 6:18-20, Hebrews 13:4).
- Being people of integrity whose word can be trusted (Colossians 3:9, Ephesians 4:15).
- Living a life of dependent prayer and thanksgiving unto God (Colossians 4:2).
- Leading others to become His disciples and disciple makers (Matthew 28:18-20).
- Seeking righteousness, mercy, and justice (Micah 6:8).
- Forgiving others as He has forgiven us (Colossians 3:13).

By contrast, followers of Jesus Christ will repent and flee from sinful attitudes or actions such as:

- Sins of speech: dishonesty, gossip, slander, obscenity, blasphemy, arguing, complaining (Philippians 2:14, Colossians 3:8-9).
- Sins of anger or lack of control: rage, hostility, bitterness, hatred, murder, violence, abuse, drunkenness, theft, gluttony (Galatians 5:20-21, Ephesians 4:31).
- Sins of attitude: selfish ambition, jealousy, discord, pride, prejudice, greed, hypocrisy, disrespect (Romans 1:28-32, Philippians 2:3).
- Sexual sins: immorality, lust, adultery, homosexuality, immodesty, orgies, pornography, sexual violence (Leviticus 18, Colossians 3:5, Romans 1:24-27).
- False religions: idolatry, witchcraft, occult involvement (Exodus 20, Galatians 5:20).

COMMUNITY COVENANT

RESPONSIBILITIES FOR COMMUNITY Within our community the greatest expression of fellowship and the highest principle for relationships is love. Since God first loved us, we ought to demonstrate love toward one another. (1 John 3:11, 16, 18; 4:7-21) For the purpose of our community we have identified the following specific expressions of love as being among the most desirable.

Building One Another Up: We expect each member of the community to consciously strive to maintain relationships that support, encourage and build one another up. (Romans 15:1-2)

Making Allowance for One Another: Because of sin, difficulties in relationships do occur. In such cases we are to respond with compassion, kindness, humility, gentleness and patience, making allowance for each other and forgiving one another. (Colossians 3:12-13)

Caring for One Another: We are responsible to come alongside those experiencing grief, discouragement, illness, tragedy, or other personal trials. Expressions of bearing one another's burdens include comfort, encouragement, consolation and intercession. (Galatians 6:2)

Respecting One Another: Because of the God-given worth and dignity of persons, each member of the community is expected to be sensitive to the image of God created in every person. Therefore, discrimination against others on the basis of race, national origin, age, gender or disability is not acceptable. Any kind of demeaning gesture, symbol, communication, threat or act of violence directed toward another person will not be tolerated. (Colossians 3:11-14; 1 John 3:14-18)

Speaking the Truth in Love: A community such as ours can be strengthened by speaking the truth to each other with love. Problems in relationships and behavior can be resolved constructively by confronting one another in an appropriate spirit. If the welfare of the one being confronted is paramount and if the confronter is motivated by and acting in love, the process can produce growth. (Ephesians 4:15)

Reconciliation, Restoration and Restitution: Healing broken relationships is necessary for a healthy community. When relationships have been harmed, regardless of the reason, individuals are expected to reach out to one another, forgive one another, restore relationships and make restitution. (Matthew 5:23-24; 18:15-17)

NEITHER LEGALISM NOR LICENSE- We want to be clear on what God is clear on, yet realize that walking with the Holy Spirit is much more than keeping an external list of “Do’s and Don’ts.”

A legalistic form of Christianity is keeping the external rules, but still having an internal heart that can be corrupt and unchanged by the Holy Spirit. Licensure advocates personal choices and desire as the guide for making decisions, not the Word of God and the Holy Spirit. We believe God wants us to understand the Scripture and that He will transform us to be more like Jesus Christ in our character, behavior, passions, and priorities.

OUR COMMUNITY COVENANT

For the sake of fulfilling the community’s purposes, its members voluntarily enter into a covenant. We understand this covenant to be a commitment to one another during the time that we are involved in the OHCC community. We desire that the Oak Hills community be a covenant community of Christians marked by integrity, responsible freedom, and dynamic Christ-like love where we lovingly encourage one another in our spiritual growth, a place where the name of Jesus Christ is honored in all we do.

Acknowledging our dependence on the power and grace of God, the members of the Oak Hills campus community humbly covenant to live according to this ideal. Personal agreement should be with the full intention of living with integrity.

The purposes of this community covenant are as follows:

- to glorify our great God.
- to cultivate a campus atmosphere that encourages spiritual, moral and intellectual growth.
- to integrate our lives around Christian principles and devotion to Jesus Christ.
- to remove whatever may hinder us from our calling as a Christ-centered community.
- to encourage one another to see that living for Christ involves dependence on God's Spirit
- to embrace passionate obedience to his Word.

As a community we are responsible for ourselves and to other members of the community. With this in mind we must be accountable to one another. It is the desire of this community to respond biblically to those who contravene this covenant. A restorative discipline process will be used in such cases.

I am willing to live in community.

SPIRITUAL LIFE EXPECTATIONS

COMMUNITY LIFE HOUR

Our Community Life Hour (CLH) provides an opportunity for the Oak Hills community of faculty, staff and students to come together for collective learning, fellowship, prayer, celebration, worship, and the exchange of community information.

CLH is critical to the success of our college mission and objectives and is held at 12:50 PM on Tuesdays and Thursdays. Attendance is a graduation requirement for all on-campus degrees and programs. *See Academic catalog for CLH graduation requirements.*

CLH Conduct: It is expected that students will give respect by refraining from talking and remaining until the program is dismissed. Cell phones and headphones should not be used during CLH; students who fail to comply with standards of conduct will receive no attendance credit for that CLH.

Any student who receives a NP (No Pass) for a semester will be suspended from all extracurricular activities for the following semester.

This includes:

- Ineligibility for intercollegiate participation (travel included)
- Ineligible for Student Engagement Team

SPECIAL EVENTS

Students are **expected to attend** Orientation, Soul Clean-Up Day, Spiritual Enrichment Days, Martin Luther King day, residence hall and/or apartment meetings. Students are also **encouraged to attend** other events such as Commencement, Spring Banquet, athletic games, and campus activities.

CHURCH ATTENDANCE

It's good to stay connected with your home church and let them know what God is doing in your life. We also encourage you to become involved with a local church while a student at OHCC. Oak Hills is not a church, and your biblical studies are not a replacement for participating in the ministry of a church. Many local churches have programs for college-age students and they welcome your participation. Such participation may be used to meet your outreach credit requirement.

Local church information can be found at oakhills.edu/Community/off-campus-activities.

COMMUNITY LIFE STANDARDS

“Whatever you do, do it all for the glory of God. Do not cause anyone to stumble, whether Jews, Greeks or the church of God - even as I try to please everybody in every way. For I am not seeking my own good, but the good of many.” I Corinthians 10:31-33

PERSONAL APPEARANCE

General guidelines regarding personal appearance for members of the OHCC community include:

- Both men and women need to wear modest clothing.
- Minnesota State Law requires shoes and shirts in all buildings except your place of residence.
- Being employed on campus may require a certain mode of dress. Please confirm this with your supervisor.
- Swimsuits must be modest. Do not wear swimsuits in or around the Fellowship Center, ValleyView, Thompson or the Schreiber Activity Center (SAC). Sunbathing is permitted on the lakefront.

Some fashion trends can cause others to stumble in their thought life. If for some reason we feel that your clothing is immodest or inappropriate, you may be requested to change, even though it may be different from your personal preference.

ENTERTAINMENT / MEDIA

Finally brothers and sisters, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable -- if there is any moral excellence and if there is anything praiseworthy -- dwell on these things. (Phil. 4:8)

Our culture offers a multitude of options for entertainment. We urge students to develop discernment in their entertainment choices. For help in discerning appropriate movies, please consider these review sites: www.screenit.com, www.pluggedinonline.com, and www.movieguide.org. These will give you a good idea of the movie’s message and content. It is our desire that all media be reflective of biblical principles and values of Oak Hills. When in doubt, ask each other. The following questions can help develop this discernment;

- Does this entertainment activity encourage or hinder my relationship with Jesus?
- Does this encourage me to live responsibly or irresponsibly?
- What kind of influence does this entertainment have on the people around me, especially someone who is struggling in the area of swearing, sexual lust, violence, etc.?
- Is another student asking me to change it or turn it off because it bothers them?

MUSIC

We encourage you to carefully examine the music you listen to in light of biblical principles. Music which promotes a message of evil or unchristian ideologies is strongly discouraged.

Please be sensitive to and respectful of your fellow students in your music preference and the volume level at which you listen at all times. Music should be played at lower volume during business hours 8am-5pm.

Music that promotes violence, promiscuity, has profanity or other offensive lyrics should not be played in public areas; this includes lounges, weight room and gym.

TELEVISION / MOVIES

Campus TVs with digital cable are provided in the lounges of Thompson Hall, Acorn apartments, Valley View and fitness room. Please be discerning and careful of what you watch and how much you watch.

The campus lounges are to be used for digital TV only. Campus TVs are for public use only, individuals are not to connect other devices without prior approval from student life. U.S. copyright laws state that the public viewing of "For Home Use Only" videos or DVDs (owned, rented, or borrowed) is illegal in student lounges or larger community rooms, unless a per-showing license is purchased. Purchased videos, DVD's, Netflix, or other media can legally be viewed only in one's home, apartment or dorm room on their personal device.

The classroom projectors and chapel screen are for class or CLH use only, unless special permission is granted by Student Life or the Facilities Department.

There is no size restriction on personal TV's. Keep in mind the dorm room size and be respectful of roommates space.

COMPUTERS / INTERNET/ SOCIAL MEDIA

OHCC provides wireless Internet access throughout the entire campus for use by our students. Thompson Hall has Ethernet connections in each room.

Downloading information can slow down the campus computer system substantially. **Please don't download anything during office hours which are 8:00 AM TO 5:00 PM, Monday through Friday.** This will enable you, the faculty, and staff to efficiently use the system during these hours.

Be sure that downloads are not illegal copyright violations or music piracy. Music piracy is any form of unauthorized duplication and/or distribution of music including downloading, file sharing, and CD-burning.

The Internet can be a great tool for information and communication, yet it can be a source of temptation toward moral compromise or corruption. Please use a filter and/or accountability system such as bsafefhome.com or covenanteyes.com as a PC filter and accountability system. Resources, accountability, and small groups are also available to help recover from or avoid these temptations. If you struggle with an internet or media addiction, please ask for help.

Remember that you are a representative of Jesus Christ and Oak Hills. A word of caution: Some websites make personal information available to anyone who wants it. For safety and privacy reasons, be aware of what you reveal online.

DANCES

Any student leadership team or activities team initiated or other sponsored dance, either on or off campus, must have prior approval from the Student Life staff. All dances must be supervised by an Oak Hills staff member. Music must be pre-approved by a member of the Student Life staff or their designee. Music choices shall not contradict biblical values or the OHCC Philosophy of Ministry (i.e. no swearing, violence or sexual content.) The staff at Oak Hills reserves the right to discontinue a dance if the above policy is violated.

ACADEMIC INTEGRITY

Oak Hills Christian College stands on the principles of truth and honesty as essential biblical principles for life. It is expected that these principles will be followed in all academic activity. Violations of academic integrity include plagiarism, cheating, unauthorized collaboration or copying, excessive revision done by someone other than the student, violating copyright laws, sabotaging another student's work, or submission of the same assignment for more than one course without prior consent of all instructors concerned. "Intellectual dishonesty 14 | ACADEMIC POLICIES" infractions will be confronted and may result in suspension or dismissal from OHCC. Further information is available through the Registrar or Dean of the College.

DATING / COURTSHIP

A Christian college can be a great place to build a Christlike dating or courtship relationship. We support healthy dating and courtship relationships between a man and a woman whose lives are under the lordship of Jesus. We encourage discussing and setting healthy boundaries in your dating relationship. We advise students to progress in these relationships at a healthy pace. College staff and faculty are willing to guide, support, and encourage you in developing a Christlike dating or courtship relationship.

Students who are dating or pursuing courtship relationships are encouraged to seek accountability partners to protect themselves from sexual compromise and guide them in this relationship. Students are expected to practice self-control and avoid inappropriate public displays of affection as well as avoiding any private situations that may encourage temptation.

ENGAGEMENT / MARRIAGE

God is the creator of marriage (Genesis 1:18-24). Students considering engagement and marriage are encouraged to seek counsel from their parents, pastor, and OHCC staff before committing their life to another person.

Oak Hills values marriage and OHCC staff and faculty are willing to discuss, teach and model how to have a biblically healthy marriage. Counseling is available for those who are hurting or struggling in their marriage. We want

your marriage relationship to be a joyful and authentic reflection of Jesus Christ and the Church to world around you.

MINOR CHILDREN ON CAMPUS

Oak Hills is committed to facilitating a safe environment for students and student's families. Therefore, minor children are not permitted on campus unless they are directly supervised by a parent or responsible adult. Children are not permitted in classrooms. There are, however, rare occasions in which this is allowed with the discretion of instructors. Parents who bring their children to campus are responsible for their supervision at all times.

OHCC and its facilities is not a substitute for child care or home school arrangements. The Student Life Department will contact parents or other parties responsible for children left unattended on campus. Individuals that bring children to campus and refuse to abide by these guidelines are subject to disciplinary action.

Children under the age of 15 years old are not permitted to stay in the dorms, unless discussed with Student Life prior.

SEXUALITY

As followers of Christ we need to submit ourselves to God's teaching in regard to this matter. God is the creator of our sexuality and values it very highly.

God commands everyone to remain sexually pure until marriage and to honor marriage between husband and wife (1 Thessalonians 4:3-8, Hebrews 13:4). In obedience to God and out of respect for each other, we expect all students to live sexually pure, exemplary lives which will not distract or offend one another or raise moral question. This includes members of opposite gender living together unmarried.

The Bible teaches that homosexuality is a sin (Romans 1:26-27), yet it is no more sinful than heterosexual sin Sexual sin should NOT be targeted for humor or condemnation. Students will be assisted, to the best of our ability, to become or remain sexually pure and/or faithful. If you have been hurt by others or struggle with sexual sin of any kind, you are not alone; we will help you experience God's forgiveness and healing grace.

Continued presence on campus and/or enrollment at OHCC is contingent on students striving for sexual purity on and off campus during their entire tenure as an OHCC student.

MENTAL HEALTH

Students struggling with their mental health are encouraged to contact someone in Student Life or another member of the OHCC community. We will support you as best as possible and help you work through your struggles, which may include a referral to professionals. It may be deemed necessary fo a student who is dealing with continual mental health issues (e.g. mental health crises) to be dismissed so that the student can focus on their mental health. In order to return after a dismissal for mental health reasons, return is contigent on proof of increased ability to manage mental health more effectively by report from mental health provider and written statement of how the student intends to

manage their mental health. A good resource for crisis is calling or texting 988.

TOBACCO PRODUCTS

The use of tobacco products is not permitted on Oak Hills property or at any Oak Hills function. This includes vaporizers and E-cigarettes. If you are addicted to nicotine and desire to quit, contact the Student Life Department staff and we will help you make a plan to break this addiction.

ADDICTIVE BEHAVIORS

We recognize the addictive nature of sex, pornography, gambling, alcohol, drugs, digital media (smart phones, tablets, laptops, etc.), tobacco, gossip, etc., and we are willing to help students struggling with these habits. **Please don't hide your problem; come and talk with us.** If you come to us before the problem escalates, you may save yourself from discipline or consequences. We will support you and provide resources to help you overcome these obstacles so you can become more like Jesus Christ and serve Him more effectively!

DRUG ABUSE

Students may not use or possess any illegal drugs. Students are also not to misuse prescription or nonprescription drugs. This is in compliance with "The Drug Free Schools and Communities Act Amendment of 1989" (Public Law 101-226). Violations of this policy will result in disciplinary action. Please see the disciplinary process for more information.

ALCOHOL

In Ephesians 5:18, the Bible states that drunkenness is a sin. The fact that alcohol is addictive to many people and because of biblical warnings against its dangers, we urge great caution in the consumption of alcohol. In light of this information, we believe that abstinence is the best choice. As Christians living in community on a small college campus, we expect students to exemplify Christlikeness. Consequently, while taking classes at Oak Hills, students are not permitted to consume alcohol. This begins the moment they arrive on campus and continues through the end of each semester, which is defined as the day a student leaves the campus and lives elsewhere for the holiday or summer break.

Furthermore, students, staff and guests may not consume or possess alcoholic beverages on Oak Hills property or at any Oak Hills function. Possession or consumption of alcohol by anyone under age 21 or providing alcohol for a minor is a criminal offense in Minnesota. Violations of this policy will result in disciplinary action.

Federal and state laws regarding drugs and alcohol are listed below.

Federal Laws

<https://www.campusdrugprevention.gov/content/cannabis-campus-not-allowed>

The Drug-Free Schools and Communities Act (DFSCA) of 1989 - also known as the Drug-Free Schools and Campuses Act - requires institutions of higher education to establish policies that address unlawful possession, use, or distribution of alcohol and illicit drugs. The DFSCA also requires the establishment of a drug and alcohol prevention program.

Minnesota State Laws

Cannabis is illegal in Minnesota. The following link describes college campus regulations in Minnesota:

Sexual activity is defined as oral, anal, or vaginal penetration or contact or near contact of breasts or genitals.

GAMBLING

Oak Hills prohibits gambling. This including but not limited to the internet, lotteries, and casinos. Gambling is dangerous as it lead to addiction and poor financial stewardship.

GRIEVANCE POLICY

If you have a grievance with a staff person or a policy, 1) try to talk to the individual or person in charge of the policy. 2) If you have followed the proper channels for discussion and are not satisfied with the results, then you may obtain a Grievance Form from online. 3) Once you have completed and returned the form, it will be reviewed by the appropriate person. In most cases, you will receive a preliminary response within (five business days) one week.

CAMPUS SAFETY

COMPLETE CAMPUS SECURITY AND FIRE SAFETY REPORT CAN BE FOUND AT OAKHILLS.EDU

CAMPUS SECURITY SERVICES

We are committed to providing a safe, secure, and healthy campus environment. The security services at Oak Hills is a joint effort of the Facilities and Student Life Departments. Questions about security may be directed to Brad DeJager, Security Director (Ext. 1240 or 218-556-1224).

There is a sense of security at Oak Hills associated with being in the country and secluded on a picturesque lake at the end of the road. The reality is that people from off campus enter our buildings for various reasons and come on campus. Internal security issues do happen on the campus, so it is best to lock your vehicle and your room at all times.

Consequently, please be aware of your surroundings whether on the Oak Hills campus or in the Bemidji community. Report any suspicious behavior to the Security Director (Brad DeJager) during the day or to the Security Guard (Port-O-Wild) in the evening. Emergency contact numbers are listed and posted in each dorm as well as other strategic areas.

PORT-O-WILD'S SECURITY SERVICES

Security at OHCC includes the use of Port-O-Wild's Security Services, Inc. of Bemidji. Port-O-Wild's personnel are authorized to take appropriate action on campus to assure the safety and security of all students, visitors, and staff of the college. They will contact the Student Life staff concerning any inappropriate or dangerous behavior.

A Port-O-Wild's security officer is on campus each night and can be contacted in an emergency by calling 218-766-9614 or 218-759-7615. They are also responsible for clearing and locking the main buildings each evening at 11pm. Students must respect any request the security officer makes regarding security, noise, property, behavior, or leaving a building.

LAW ENFORCEMENT

Although the Facilities and Student Life Departments are responsible for campus safety and security, the Beltrami County Sheriff's Department is ultimately responsible for the safety of all persons residing in this county. We will notify the Sheriff's Department if circumstances dictate. Beltrami Sheriff's Department phone number: 218-333-9111

SECURITY ALERTS

If we become aware of a crime incident occurring on or near our campus that is considered to be a threat to students, staff, or visitors, Student Life will post "security alerts" through text messages. These alerts will contain information that may aid in the prevention of similar occurrences. In an effort to make sure that you receive such notices, please notify Student Life and the Welcome Center of changes regarding your telephone number.

CAMPUS SAFETY

When Oak Hills Christian College adopts emergency measures to secure the safety of its campus due to campus, local, state, or federal emergencies, any violation of those measures will result in warning and/or immediate suspension from campus with no academic accommodation and with return determined by the Dean of Student Life.

CAMPUS CRIME STATISTICS

The U.S. Department of Education's Office of Postsecondary Education requires every U.S. College to record on the government's website their campus crime and security statistics for the last 3 calendar years. The website address is: <http://ope.ed.gov/security>. A person can search for data from any college from this site. There is also a link on our website (oakhills.edu), for the Annual Security Report (click on Student Life, then Security, and follow the link).

The statistical information is compiled by the OHCC Student Life department and is for selected categories as prescribed by the Federal Campus Security Act, and covers a period from January 1 to December 31.

COMMUNITY ACCOUNTABILITY

There maybe times when a student witnesses another student engaging in activities/behaviors that go against OHCC values and/or policy; at times it might be appropriate to confront that student, using discernment of safty and appropriateness. Students witnessing any act(s) which constitute(s) a violation of OHCC policy are strongly encouraged to report such incidents to the proper authorities. Confidentiality of the identity of students reporting violations will be maintained as it is not the intent of the college to burden innocent witnesses.

INCIDENT/INFORMATION REPORT

To keep our Student Life informed, any student can submit an incident/information report. All incident reports will remain anonymous. Reportable icidents include but are not limited: roommate conflict, vehicle issues, damage to property, pranks, dorm issues, chemical abuse, physical altercations, hate crime, threat of harm, sexual inappropriate behaviors. RACIAL INTOLERANCE / HARASSMENT

Intolerance and harassment of any individual or group based on race is immoral and illegal. This includes offensive or degrading comments, actions, or deeds based on race, even if it was intended to be humorous or said unitentially and said out of ignorance. Racial intolerance and harassment have the purpose or effect of substantially creating an intimidating, hostile, or offensive work, living, or learning environment.

Anyone practicing racial intolerance or harassment will be subject to disciplinary action. Any student who feels subjected to such harassment, or becomes aware of racial harassment, should report the incident immediately, either verbally or in writing, to the Dean of Student Life.

SEXUAL HARASSMENT

Sexual harassment by any member of the Oak Hills community will not be tolerated. Sexual harassment under Title IX covers three categories of conduct:

- a) Quid pro quo sexual harassment by employees
 - Misconduct on the basis of sex that jeopardizes a student's right to or deprives a student of equal access to education.
 - Misconduct using the submission to or rejection of sexual advances, requests, or demands by an individual as a basis for academic decisions.
 - Misconduct on the basis of sex that explicitly or implicitly makes submission to such conduct a term or condition of an individual's employment/student status.
- b) Sexual assault, dating violence, domestic violence, and stalking as defined by the Clery Act.

- c) Any other “unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it denies a person access to the college’s education program or activity (hostile environment)”.

This includes acts such as sexual advances, requests, humor, or demands for sexual favors, as well as other physical, verbal, or visual conduct of a sexual nature that creates an intimidating, hostile, or offensive work, living, or learning environment.

Anyone practicing sexual harassment will be subject to disciplinary action. Any student who feels subjected to such harassment, or becomes aware of sexual harassment, should report the incident immediately, either verbally or in writing, to the Dean of Student Life or the Title IX coordinator, Dr. Jeff Wisdom.

Acts of sexual violence, assault, or abuse such as rape, acquaintance rape, child abuse, other forms of non-consensual sexual activity, or threat of sexual violence are criminal behaviors. These behaviors should be reported immediately to the Dean of Student Life and will be subject on an individual basis to disciplinary action, as well as referral to the appropriate law enforcement agencies. BEMIDJI AREA CRIME

Bemidji has excellent law enforcement, but also has significant crime issues of which to be aware. Check the local newspaper for local crime reports. Be mindful of your surroundings while on the Oak Hills campus and in the Bemidji community. We encourage students that want to go into town late at night to not go alone groups and use disgression as to where you are going.

Bemidji has a high rate of auto theft. Never leave your keys in your vehicle and always lock your vehicle on campus and in town. Gangs are active in this area. Alcohol and drug use are prevalent. So, know where the dangers are in the community and be careful; for further questions on this talk with Student Life.

Anyone found pulling a false fire alarm or tampering with any fire equipment will be subject to disciplinary action that may include referral to civil authorities and/or dismissal from the college.

Sprinkler System

Thompson Hall is equipped with a sprinkler system designed to combat and suppress fires. To ensure proper operation in the event of a fire, nothing should be hung from, laid on, or otherwise be in contact with the sprinkler head or the pipes supplying the sprinkler head. Also, nothing (piece of furniture, loft, or any other object) should be placed so as to block the flow of water from the sprinkler head.

(Subdivision 1)

Felony Whoever violates subdivision 1 by tampering and knows or has reason to know that the tampering creates the potential for bodily harm or the tampering results in bodily harm is guilty of a felony and may be sentenced to imprisonment for not more than five years or to payment of a fine of not more than \$10,000, or both. (Subd.2)

Tampering For purpose of this section, tampering means to intentionally disable, alter, or change the fire alarm system, fire protective device, or the station or signal box of any fire alarm system of any auxiliary fire appliance, with knowledge that it will be disabled or rendered inoperable. Please assist with fire prevention by contacting Facilities, Student Life, or Security if you detect any potential fire hazard - electrical short, smoke, burning smell, or other emergency safety concerns.

FISHING

Lake Marquette offers excellent fishing opportunities. Walleye, Northern Pike, and panfish are caught regularly on this lake. Waste from fish cleaning should be properly disposed of by placing in a sealed plastic bag and placed in the dumpster by the maintenance building. Ice fishermen are urged to be careful of ice conditions and weather changes, and should take all necessary precautions.

ROAD SAFETY

Oak Hills Road is a Beltrami County highway. Drivers must obey all posted speed limits to ensure safety to other drivers and/or pedestrians. Pedestrians need to stay out of the way of oncoming vehicles by walking or running on the highway shoulder and sidewalk, not on the pavement. Don't force the vehicle to get out of your way.

VEHICLE / PARKING RULES

Students bringing a car, truck, van, motorcycle, or bicycle to Oak Hills must register it under student forms. Vehicles must remain in operable condition (runs and drives) if a vehicle becomes inoperable you have a week to get it up and running, failure to do so may result in fines and could lead to being towed. Students are charged a fee each semester which covers the cost of parking lot maintenance. Remember to lock your vehicles at all times, whether on campus or in town.

SNOW EMERGENCIES- If a snow emergency is needed, this will be communicated by posting signs around the campus, email, text message, and/or on campus announcement monitors. When this occurs, vehicles may need to be removed from the main parking lot and the Acorn Apartments and relocated to the upper parking lot, or as directed by signs. This allows the Facilities Department to remove the snow. Failure to move your vehicle may result in a \$50 fine and/or the vehicle being towed at the owner's expense.

Residents of Southgate Apartments need to shovel the snow from around their vehicles out into the main driveway so that it can be plowed away.

PARKING/DRIVING GUIDELINES

Students are **not** to park or drive a vehicle across campus lawns or sidewalks or drive a vehicle around a locked gate. Do not tear up campus roads, trails, parking lots, or other parts of our campus with your vehicle. Illegally parking in handicapped spaces may result in a \$50 fine. Any other parking or moving violation may receive a verbal/written warning or a fine for the first offense. Fines start at \$20.

The Acorn apartments only have enough parking area for their residents, so visitors or other students are asked to park in the main lot.

Students leaving for an extended weekend, a holiday break, or semester break may be asked to move their vehicles to the upper parking lot or as directed by Facilities or Student Life, to make room for visitors and/or snow removal. Vehicles not moved may be fined \$50 or towed at the student's expense. All fines, unless paid upon receipt, will be added to the student's school bill.

RECREATIONAL VEHICLES

Recreational vehicles, snowmobiles, ATVs, campers, boats may be stored on campus **with prior permission from the facilities department**. Recreational vehicles as noted above **are not to be used or driven on campus**. Please contact the Facilities Department for more information.

WEATHER / SEVERE CONDITIONS

Local and regional weather conditions are monitored. We encourage students to utilize weather alerts on their devices and check weather apps or stations for details. If you are instructed to move to a sheltered area, do so immediately and do not leave until you have been informed that it is safe.

Classes may be canceled due to severe weather conditions such as colder temperatures, wind chill factors, snow and ice in the Bemidji area. Attempts will be made to contact all students (via radio, email, and texting).

We expect commuter students to use their best judgment when determining whether conditions make traveling hazardous. Stay home if you believe it to be unsafe and notify instructors of your decision. You may also call 511 or check the 511mn.org website for road conditions.

It is strongly advised against traveling during inclement weather i.e. in tornado warnings, blizzard conditions, low windchill, during and directly after heavy snows and temperatures below -20 degrees. It is strongly suggested to have a winter emergency kit (contact Student Life for more details.)

GARBAGE CONTAINERS

It's up to all of us to help keep our campus and buildings clean. Please separate your recyclables and secure the rest of your garbage in plastic bags. Students are responsible to remove their garbage from the building to the dumpsters outside. Do not place your personal garbage in lounges/lobby garbage cans. If garbage accrues and becomes an issue fines to the individual and/or hall.

GYM / FITNESS ROOM

The gym and fitness room are available for your use and enjoyment at any time, unless otherwise posted. In order to get a keyfob for access you will be required to meet with the Athletic Director. If you need equipment, please contact the Athletic Director or the Student Life Department. Please protect yourself and the exercise equipment by using it properly. If anything is broken or damaged,

please report it immediately to the Dean of Student Life or facilities so we can get it repaired quickly.

HEALTHCARE

All Oak Hills students are required to provide proof of health insurance. Students who are uninsured are encouraged, in consultation with their parent or guardian, to sign up with Minnesota Care for local health insurance.

Health insurance is required for all student athletes as mandated by the NCCAA. Please contact athletics department to learn requirements for athletic health insurance.

Individuals with health issues will be referred to local physicians. The city of Bemidji has Sanford Hospital with Emergency Care and Walk-in Clinic.

Immunization: Minnesota Law (M.S. 135A.14) requires proof that all students born after 1956 are vaccinated against diphtheria, tetanus, measles, mumps, and rubella, allowing for certain specified exemptions. Any non-exempt student who fails to submit the required information within 45 days after first enrollment cannot remain enrolled.

Questions: Please contact Student Life Department

ILLNESS / INJURY

If you become ill or injured, please contact the Student Life Department. We will help direct you to the care you need. If you feel that you need to consult with a hospital or a physician, call Sanford Health Bemidji at 218-333-5000 or the free 24-hour “Ask a Nurse” line at 1-800-821-5167. Going to the Emergency Room can be very expensive and students are responsible for all fees incurred.

To summon emergency medical assistance, call 911 or ask someone to make the call. When calling, be specific: give exact location, the nature of the emergency, and wait with affected person for the ambulance.

ID CARD

Please carry your Oak Hills Christian College ID card with you at all times. Your ID card can also be used to receive student discounts at many Bemidji area businesses. You will be issued one card while a student at OHCC, so be sure to keep track of it. The replacement fee is \$10.

STUDENT EMAIL ACCOUNT

While your academic work will be conducted within the Canvas network, information from student life, the registrar, student accounts, athletics, emergencies and events will be directed through your oakhills.edu email address. Please sync this account with your normal email account. You will be responsible for all content sent through your student email whether you read it or not. Your email will be deactivated after you are graduated or disenrolled.

INTRAMURAL ATHLETICS

There are many opportunities to be involved in various intramural activities.

Activities include, but are not limited to: flag football, floor hockey, volleyball, basketball, ultimate Frisbee, disc golf, trap club etc. Each of these activities is dependent upon student interest and participation.

The Student Life Department and the Athletic Director do not support tackle football, Rugby, or contact sports because of the high risk of injury.

PERSONAL PROPERTY INSURANCE

OHCC is not liable or responsible for students' personal loss of property while on campus. We recommend carrying personal property or renter's insurance. If a student suffers a loss of property and is covered under their or their parent's home owners insurance, they may have coverage. However, please check the details of your family's policy in advance to know the extent and limits of your insurance coverage.

DISCIPLINARY PROCESS and ACTIONS

Discipline is important to God and is a genuine act of love and compassion, as demonstrated in Hebrews 12; even though at times it may be unpleasant. Godly discipline is a part of the discipleship process and is to be restorative, not punitive. The goal of discipline is to bring about repentance, reconciliation, restoration and growth in our lives.

Consequently, we encourage each student to speak the truth in love to one another and follow Jesus' pattern in Matthew 18 when another student sins against them or acts in a sinful manner in their presence. In many situations discussion, accountability and support between peers is all that is needed to make things right again. When situations are more severe, potentially dangerous or illegal, staff intervention may be required. Please feel free to visit with the Student Life Department to determine the best course of action.

DISCIPLINARY PROCESS

At Oak Hills, we care enough to confront, guide and restore students to wholeness by taking disciplinary action when necessary. Disciplinary action may take a variety of forms, depending on the situation and circumstances. Our discipline process utilizes three characteristics; discussion, evaluation and notification. These three distinctives may occur immediately, depending upon the issue, or over a few days. An attempt is made to take into account the individual and follow the guidelines of the disciplinary process. If the Student Life staff or faculty become aware of behavior that is contrary to biblical standards or contrary to the policies of Oak Hills Christian College, the following steps will begin to take place. However, in very serious or illegal matters, immediate suspension, dismissal or expulsion may occur.

Discussion

A Student Life Department member will talk with the student and seek to understand and resolve the situation. If this interaction does not lead to resolution of the problem, or if the student continues the behavior, further evaluation, disciplinary action or sanctions may be taken, depending upon the seriousness of the behavior. He/she may be asked to sign a **release of information**, if parental notification is deemed appropriate and the FERPA has not indicated that the college can contact the parent. Your Outreach supervisor may also be contacted if deemed appropriate. (i.e. students working with minors/youth)

Evaluation

Once a Student Life Department member has had a discussion with the student, the Student Life Department will evaluate the situation. If the behavior is illegal or detrimental to community life and the safety of the campus, the student may be suspended, dismissed or expelled immediately. Such a decision will be made with regard to the best course of action to provide effective health and safety for the individual, those who may have been offended, and the campus community. The offender's opportunity to repent, be reconciled and restored through appropriate support services or disciplinary action will also be part of this evaluation. *Evaluative actions are listed below.*

Notification

When disciplinary action or sanctions have been determined, the student will be given verbal and/or written notice specifying the action to be taken and reasons for this action. *Potential disciplinary actions are listed below.*

Follow Up

Grace is the driving desire of Student Life in student discipline. Grace seeks to show kindness to the student so that the student may repent and make corrective actions. If corrective actions are taken, no further action may be necessary. When grace is ineffective in producing change within the student, progressive disciplinary actions are taken until the required change occurs or the student is removed from campus.

DISCIPLINARY ACTIONS / SANCTIONS

Disciplinary Procedures: Minor Infractions

After a series of investigatory meetings, an appropriate disciplinary sanction for minor infractions (i.e., sanctions 1-5), based on the totality of the circumstances, may be imposed by the Associate Dean or Dean.

Disciplinary Procedures: Major Infractions

After investigatory meetings, an associate dean or dean (who may or may not have listened to the deliberations) will set the appropriate disciplinary sanction(s) (i.e., sanctions 6-11), based on the totality of the circumstances, after a violation is found, and after receiving the non-binding recommendation of the fact finders.

Common Sanctions

1. Admonition or Reprimand: An oral statement to the student explaining that he/she has violated a student regulation and implies the student's behavior is inappropriate and is not to be overlooked.
2. Censure: An official written statement to the student explaining that he/she has violated a student regulation. It is intended to communicate most strongly both disapproval and reprimand by the college community.
3. Fine/Community Service: This fine will be appropriate to the offense (minimum \$20) or may be paid off by service hours on Oak Hills campus.
4. In-Kind Restitution (may include but is not limited to): the reimbursement of

costs for damage to, or destruction of, college property or property of any person; restitution in the form of appropriate service to be completed by the student; the relocation of the student within college housing facilities; the required attendance of the student to the appropriate educational programs based on the circumstances of the case.

5. Social Probation: Indicates the behavior exhibited is socially unacceptable. Therefore, a designated period of time is set and a specific action plan is agreed upon for the student to take corrective action and adjust behavior to socially acceptable standards.

6. Restriction of Privileges: The restriction of college privileges for a specified period of time. These restrictions may include, but are not limited to the following:

- a. Denial of regular priority for room assignment in college housing.
- b. Denial of the privilege to attend non-academic college functions.
- c. Denial of the privilege to participate in non-academic college organizations or activities, including athletics.
- d. Denial of parking privileges.

7. Disciplinary Probation: A specified period of review and adjustment during which a student is under an official warning that his/her violation was very serious. While on disciplinary probation, a student will be considered to be “not in good standing” with the college and may face specific restrictions on his/her behavior and/or college privileges. Students involved in similar or additional disciplinary incidents while on probation may be recommended for immediate suspension or expulsion.

8. Eviction: Eviction from college housing without a refund if the student is currently residing in a residence hall or an on-campus apartment.

9. Disciplinary Suspension: The denial of enrollment, attendance, and other privileges at the college for a specified period of time (maximum 10 days). In cases where a student is suspended for the duration of the semester, clearance for re-enrollment must be received from an associate dean or dean. Permission to apply for readmission upon the termination of the period may be granted with or without conditions/restrictions. A student who has been issued a disciplinary suspension sanction may be prohibited from visiting on campus or attending all college or open social functions and is deemed “not eligible to return” to the college during the suspension period. The suspension shall be followed by a period of disciplinary probation.

10. Dismissal: It may be in the best interest of the OHCC community and the student to be dismissed from school. When a student is dismissed, he/she will receive a written statement of the reason for the dismissal from the Dean of Student Life. A student who has been dismissed is not allowed on campus without the permission of the Dean of Student Life and re-admission will be stipulated as the following semester or the following academic year.

11. Interim Suspension: An interim suspension may be imposed by the Dean of Student Life or his/her designee, prior to the beginning of the administrative process. The interim suspension may be imposed in extreme cases where the alleged action of a student(s) may pose a threat to the well being of the college, any of its members, or himself/herself, or there is substantial evidence that the

continued presence of the student(s) on the campus will disrupt the college. Prior to imposing an interim suspension, every effort will be made by the Dean for Student Life or his/her designee to give the student an opportunity to respond to the charge(s). Following the imposition of an interim suspension, the opportunity for an administrative hearing, as described below, will be provided as expeditiously as possible, but no later than ten calendar days after the interim suspension – unless the student waives the ten days.

12. Expulsion: The dismissal of a student from the college without the ability to apply for re-enrollment. A student who has been expelled is deemed “not eligible to return” to the college for a period of two years. Expulsion requires approval of the president in consultation with the Dean of Student Life.

a. Denial of the privilege to represent the college to anyone outside the college community in anyway, including representing the college at any official function, intercollegiate athletics or any forms of intercollegiate competition or representation.

b. Denial of the privilege to participate, be elected, or appointed as a member or officer of student government or any registered student organization.

c. Denial of the privilege to live in college housing.

APPEALS

The purpose of an appeal is to ensure that fair process has been followed. This is not a rehearing of the specifics of the incident. In such a situation, a written appeal must be sent to the **Student Life Appeals Committee** in care of the **Dean of the College**.

The appeal must be submitted **within five school days** after the student has received written documentation of the disciplinary decision from the Dean of Student Life. In the appeal the student is expected to outline specifically how due process has not been followed.

The Student Life Appeals Committee will determine whether the appeal has merit and will provide the student with a written statement indicating if due process was followed. In the event the Student Life Appeals Committee determines that the student’s appeal has merit and should be upheld, the student will refer it back to the Dean of Student Life for further action.
