MESSAGE FROM THE PRESIDENT

Welcome to Oak Hills Christian College! I am delighted that God has led you to consider becoming part of what He is doing here.

Oak Hills Christian College is a unique learning community that is making a significant impact in our region, our nation, and the world. As a student you will be immersed in the study of the Word of God. Through constant engagement with the Bible you will grow in your love for God and for people. You will be encouraged and challenged to think biblically. You will find direction for your life. You will be equipped to utilize your unique personal gifts in a way that makes an impact for Jesus wherever He leads you.

As a student you will study, learn, grow, play, laugh, cry, and pray together with fellow students, many of whom will become life-long friends. You will be part of a close-knit community that serves as a catalyst for your personal spiritual growth.

I know this is true because God used Oak Hills to change my life. Decades ago I came to Oak Hills as a student after two years on secular college campuses. My hair was longer then - without a trace of grey. And I was in many ways a reflection of my 70s generation - a little rebellious, skeptical, having a "prove it to me" attitude. But I also had a sense that God had called me to Oak Hills. I was amazed at the difference in atmosphere and focus. Classes began with prayer. Instructors genuinely cared about each student. The curriculum was based upon the Word of God. My questions were answered with respect - never condescension. I not only learned, I learned how to learn. And the presence of Christ was evident. I was astonished as I walked through the Administration Building one day to see a twenty-dollar bill tacked to a hallway bulletin board with a little note affixed to it that said "Whose is this?" That kind of honesty and trust would have been inconceivable on a secular college campus in those days. But it was - and is - typical at Oak Hills.

Through the Student Outreach program, you'll have opportunity to use what you're learning in serving others. Internships, mission trips, and a variety of campus events will help shape your passion and calling, and increase your effectiveness as a follower of Christ.

My own student outreach experiences included teaching, preaching, leading a Bible study at St. Cloud Reformatory, and mission trips to northern Canada. God used these experiences to solidify His direction and call on my life to pastoral ministry.

Oak Hills Christian College is also part of the Oak Hills Fellowship which includes a Christian Camp, a Center for Native American Ministries, and a Church Ministries Department that are being used by God to transform lives. Our college is a multi-ethnic and multi-cultural learning experience where ministry and mission are part of the total learning experience. At Oak Hills you will have opportunity to learn, grow, observe, and take part in things that matter forever! It will change your life! It changed mine. Come grow with us!

Together with you in His service,

Martin Giese
President

DOCTRINAL STATEMENT

SCRIPTURES: We believe the Scriptures of the Old and New Testaments are all verbally inspired by God, without error as originally written, and our only infallible rule of faith and practice.

GOD: We believe God is the creator and eternally exists in three persons - the Father, the Son, and the Holy Spirit - and these three are one God; having precisely the same nature, attributes, perfection, and worthy of precisely the same worship, honor, confidence and obedience.

THE SAVIOR: We believe the Lord Jesus Christ is God manifest in the flesh. We hold to His virgin birth, sinless life, vicarious death, bodily resurrection, His ascension into heaven, His present high priestly ministry, His translation of the church, and His personal premillennial return to set up an earthly kingdom.

THE HOLY SPIRIT: We believe the Holy Spirit is the third Person of the Trinity who convicts the unsaved and effects the full salvation of the believer.

MANKIND: We believe that all human beings are made in the image of God and, therefore, have dignity and worth. We further believe that, through the fall of mankind in Adam, all are sinners by nature and stand in need of regeneration.

SALVATION FOR SINNERS: We believe salvation was provided through Jesus Christ by His substitutionary and sacrificial death on the cross, sufficient for all, taking every legal obstacle out of the way, and that all must be born again or be forever lost.

ETERNAL LIFE: We believe eternal life is the sovereign work of God's grace given to those who believe and receive Christ.

TWO DESTINIES: We believe the destiny for the believer is to be present (at home) with the Lord and for the unbeliever is to be separated from the presence of the Lord in everlasting punishment.

THE CHURCH: We believe the church is an organism of which Christ is the head, made up of individual believers who have been saved by personal faith in the Lord Jesus Christ through the grace of God and baptized into Christ's body by the Holy Spirit.

ONE COMMISSION: We believe the great evangelistic and missionary commission given by Jesus Christ to the disciples and to the continuing church is that of making Christ known by word and example and bringing to maturity those who believe by instruction in the Word.

OBJECTIVES

Oak Hills Christian College strives to see students grow in these five areas:

1. **GROWING IN FAITH AND WORSHIP**
   Students are committed to continuous growth in their trust in, love for and worship of God, seeking to live lives pleasing to him.

2. **UNDERSTANDING THE BIBLE**
   Students will know the Bible and handle it rightly, interpreting it properly for personal and cultural application.

3. **UNDERSTANDING OUR WORLD**
   Students will have a knowledge of human thought, history and culture adequate to understand and critique worldviews, to communicate effectively a Christian worldview to others, and to interact meaningfully with their own and other cultures.

4. **INTEGRATING FAITH AND LEARNING**
   Students will have a biblical worldview, integrating their understanding of Christianity and the world, providing the foundation for a lifetime of continued learning and growth in all areas of life.

5. **SERVING OTHERS**
   Students will have and practice a servant theology of life and will have skills appropriate for effectively serving God through serving others in the home, the workplace, the church and the world.

MISSION STATEMENT

Oak Hills Christian College is a Christian academic community whose mission is to provide biblically centered higher education which contributes to growth towards Christ-likeness and prepares students for effective service in their homes, careers, churches, and communities.

To accomplish its mission, OHCC uses the means of undergraduate higher education, including the study of the Bible as central to the formation of a Christian life and worldview; the study of human thought, history, and culture; the study of theory and skills of Christian ministry; and the application of this learning in ministry and internship experiences.

Academic programs are conducted within the context of a Christian college community in which all members are encouraged to treat each other respectfully as persons made in the image of God. Oak Hills seeks to serve a broad section of qualified students who profess faith in Christ and who desire a Bible-centered education.

HISTORY OF OHCC

In August of 1925, six men with a vision met under a big oak tree on the shores of Lake Marquette near Bemidji, Minnesota. They asked God for the land to be used as a Christian camp and training facility, and God answered their prayer. Through donations from friends and by using their own money, they accumulated $250 to purchase 14 acres of lakeshore property.

That oak tree became known as the Prayer Oak, and the organization became known as Oak Hills Fellowship. After two decades of ministry in camping, evangelism, and church planting, the second part of their vision began with the development of a training facility. The purpose of this facility, known as Oak Hills Christian Training School, was to provide instruction in the Bible, Christian character, and fellowship. The first graduating class of four men and three women took place on April 8, 1949.

Oak Hills Christian Training School became Oak Hills Bible Institute in 1961, Oak Hills Bible College in 1985, and Oak Hills Christian College in 1998. The name and academic criteria have changed over the years, but the original purpose of teaching and equipping men and women to be effective servants of Jesus Christ continues to guide us.

Our desire is that students will learn to love God wholeheartedly, love people as He does, and influence others to follow Him.

STANDARD OF CONDUCT

The five OHCC objectives (see page 4) are the foundation for each student's education and experience at Oak Hills. Our standard of conduct is based on the premise that all individuals in our college are committed to these objectives for themselves and for other students.

We believe the Bible is our authoritative guide for faith and practice. As followers of Jesus Christ, we are responsible for living in a way that reflects His character and priorities.

Because these services are essential activities in the education program of Oak Hills Christian College, regular attendance is required of all of our on-campus students and is a requirement for graduation. ACADEMIC POLICIES

ACADEMIC YEAR

SEMESTERS

Oak Hills Christian College operates on an academic system consisting of fall and spring semesters. The length of each semester is approximately 16 weeks. A summer semester is offered for internships and two online sessions. Class instruction consists of one 55-minute weekly period for each semester credit. Online semesters have two 8-week sessions per each fall and spring semester, and two 6-week sessions per summer semester.

TIME OF ENTRANCE

Students are welcome to enter school any semester. However, entering fall semester provides the best opportunity for taking courses in the preferred order. Adult and Online degree-seeking students may enter at any time.

CREDIT HOUR DEFINITION

The college follows the Federal Definition of the Credit Hour:

An amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than:

1. One hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately 15 weeks for one semester of credit, or the equivalent amount of work over a different amount of time; or
2. At least an equivalent amount of work as required in paragraph (1) of this definition for other academic activities as established by the institution, including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours.

Regardless of the course modality, classes will be consistent in terms of purpose, scope, quality, assessment and expected learning outcomes.

Students enrolled in classes delivered by an alternative means shall not be denied access to advisement, grievances, or other key academic rights and services, nor shall they be excused from the academic responsibilities expected of all students.

COURSE LOAD

The minimum load for a full-time student is 12 semester credits and the normal course load is 15-16 credits. In order to receive a full Minnesota State Grant, a student must be registered for at least 15 semester credits. Any load exceeding 18 credits requires special permission. An overload fee will be charged.

ATTENDANCE POLICY

Oak Hills Christian College considers class attendance to be a vital part of education and expects students to regularly attend class. We recognize that students have responsibilities and mitigating circumstances that sometimes interfere with class attendance. Our basic attendance policy states: a student who misses more than 25% of the class sessions (excused or unexcused) will fail the course. In some cases the "Extended Campus Absence" policy will apply.

Each instructor has the prerogative to adopt a more stringent attendance policy. This information will be included in the syllabus for each class.

EXTENDED CAMPUS ABSENCE

A student who must be physically absent from campus for an extended period may complete his/her current courses if the following apply:

1. The reason for the absence is serious physical or mental health illness, hospitalization, death in the family, or similar situation. Documentation must be provided.
2. The student has a GPA of 2.0 or higher and is not on academic probation.
3. The absence is for 50% or less of the semester.
4. The student is current with course assignments and responsibilities.
5. The instructor agrees to continue working with the student throughout the absence.

TRANSFER OF CREDIT

General policies for the transfer of credit are as follows:

1. Credits earned through CLEP (College Level Examination Program), DSST (DANTES subject standardized tests), CIC (College in the Classroom), and AP (Advanced Placement) will be evaluated by the Registrar on a course by course basis.
2. Credits earned at other schools with a grade of "C" or better may be transferred to OHCC and applied toward graduation, provided those credits meet the program requirements. Pass/no pass courses will transfer if the pass reflects a 70% or C equivalent.
3. The institution needs to be recognized by an accrediting agency or acknowledged by OHCC.
4. Students may be asked to validate equivalent subjects taken at non-accredited schools. After equivalency has been approved, the credits will be pending official approval until the student achieves a minimum GPA of 2.0. This must be done during the student's first year at OHCC, or the transfer credits will be lost, except where an articulation agreement exists.
5. Up to half of the credits in a major may be accepted as transfer credits from non-accredited schools.

CREDIT FOR PRIOR LEARNING

The faculty may substitute previous learning for academic credit. Students must demonstrate they have met the objectives of the course/s to be substituted. Additional policies are available in the Registrar's Office.

RESIDENCE REQUIREMENT

In order to receive the following degrees, the student must complete the indicated hours in residence. "In residence" refers to courses completed at OHCC.

Bachelor of Arts: 30 hours (15 in biblical studies, 15 in second major). The second major requirement is waived for Camp Ministry.

Bachelor of Science: 27 hours (15 in major; 12 in upper level biblical studies including Senior Seminar)

Associate in Arts: 22 hours (8 in biblical studies)

Certificate in Biblical Studies: 15 hours (8 in biblical studies)

4-year degree = 8 CLH units
2-year degree = 4 CLH units
1-year certificate = 2 CLH units

Missing more than 25% CLH sessions will result in not earning a CLH unit for that semester.

The CLH requirement will be modified as necessary for Camp Ministry majors, and students with internships out of the local area. There is no CLH requirement for adult & online degree seeking students. See the College Chaplain for more information.

DEAN'S LIST

SATISFACTORY ACADEMIC PROGRESS & ACADEMIC DISMISSAL

Students need to complete their degree in a timely manner. In order to accomplish this, Oak Hills Christian College has set forth Satisfactory Academic Progress standards consisting of minimum grade point average, minimum pace-of-progression, and maximum time frame.

Minimum Grade Point Average (GPA): The following minimum cumulative GPA must be reached according to the number of credits in which a student is enrolled in after the add/drop date.

1-30 credits:	1.7 cumulative GPA
31-60 credits:	1.8 cumulative GPA
61 & above:	2.0 cumulative GPA

In order for any student to graduate with a certificate, a two year degree, or a four year degree, the student must have a cumulative GPA of 2.0 or higher. Any student enrolled in a program that is longer than two academic years must have at least a 2.0 GPA or better at the end of their second year.

Minimum Pace-of-Progression: Students must complete coursework at a cumulative rate of 67%. Students must successfully complete 67% of the hours attempted to meet the minimum requirements for pace-of-progression. Completed coursework is defined as any course for which the student receives a passing grade. All credit hours with a passing grade on a student's academic record according to the Office of the Registrar (A,B,C,D,P), all transfer, early credit hours taken in high school (PSEO, AP, and College in the Classroom), and preparatory courses (under 1000 level) are included in calculating pace-of-progression.

Attempted Credits Include:

- All credits for courses in which a student is formally enrolled after the add/drop period.
- All credits for courses in which the student enrolled, but subsequently withdrew, failed, or repeated.
- Transfer credits from another school that are accepted by OHCC.

Maximum Time Frame: Students must complete their degree within 150% of their program length (e.g. 180 attempted credits in a 120 credit degree or 90 credits in a 60 credit degree). A student becomes ineligible for financial aid when it becomes mathematically impossible for him/her to complete their program within 150% of their program length. Students will be notified when they reach this point and will have the opportunity to file an appeal. If the appeal is approved, a student may be eligible to receive financial aid until they have attempted a maximum of 150% of the minimum number of credits required for the degree or certificate. Once the maximum attempted credit hours have been reached, financial aid eligibility is denied for the subsequent credit hours of enrollment. Prior degree credits (including credits earned prior to any change in major) and all transfer credits that are listed on the OHCC transcript are counted in the calculation of cumulative attempted credits.

Financial Aid: In compliance with federal and state requirements, OHCC will disperse federal and state financial aid monies to those students who either meet or have the potential to meet Satisfactory Academic Progress.

Transfer Students: Transfer students do not transfer in a GPA. Their cumulative GPA consists of classes taken only at OHCC. Credits transferred to OHCC from other institutions will be counted toward the minimum pace-of-progression

requirement.

Determination of Academic Progress Standing: At the end of each semester, the Registrar will review the cumulative GPA and the number of credits earned for each student. The first time a student fails to meet the minimum cumulative grade point average requirement or the minimum pace-of-progression requirement during the semester, the student will be placed on ACADEMIC WARNING. Students placed on academic warning are eligible for continued enrollment and are expected to make progress toward meeting the minimum cumulative grade point average (GPA) and the minimum pace-of-progression requirement. Credits for incomplete courses will be included in the Registrar's review at the end of the extension semester for those students who apply for and are granted an extension according to the OHCC Incompletes policy.

Requirements for Academic Warning: Upon conclusion of the warning term, if the student has met the minimum cumulative GPA and minimum pace-of-progression requirement, the student's warning status will be removed.

Dismissal: Upon conclusion of the warning term, those students not meeting the minimum cumulative GPA or minimum pace-of-progression requirements will be dismissed. The student will be notified by the Dean of the College of their dismissal.

Reinstatement/Appeal Process: Students suspended from OHCC who wish to return following a dismissal period of one semester (spring, summer, or fall), must submit an appeal to the Registrar's Office. The appeal should include information on the circumstances that affected past performance and a plan to be successful in achieving future academic progress. All appeals submitted to the Registrar's Office will be reviewed by the Academic Appeals Committee. The Academic Appeals Committee will determine whether the student should be able to meet the Satisfactory Academic Progress standards (both CGPA and pace-of-progression) by the end of the following term. If so, the student will be reinstated and placed on probation for one term, at which time the Registrar will review his/her progress. If it is determined that the student will require more than one term to meet progress standards, the student will be placed on probation with academic terms set forth by the Committee which include specific Student Success academic plan requirements to be met by the end of each term. Students are allowed to receive financial aid while on academic probation. Students must meet all terms set forth by the academic appeals committee and will be reviewed at the end of each term. Students failing to meet all requirements will be dismissed.

If the student does not agree with the decision of the Committee, the student may appeal to the Dean of the College. The Dean of the College's decision is final.

If a student subsequently fails to maintain Satisfactory Academic Progress, he or she will be dismissed again from OHCC. A student is allowed a maximum of two appeals of readmission.

Additional Info Regarding Satisfactory Progress

Repeating a Course: A grade of D, in any four year program, must be replaced or re-taken if they are part of the student's major. When a course is re-taken the final grade will be the grade of record whether the grade is higher or not. The previous grade will remain on the student's transcript but will not be calculated in the GPA.

Participation in Extra and Co-Curricular Activities: Students on Academic Warning or Probation are not eligible to participate in any extra-curricular activity (OHCC sponsored with no academic credit earned) or co-curricular activity (OHCC sponsored with academic credit earned).

Credit For Military Training & U.S. Armed Forces Institutes (USAFI): Courses for which credits earned while in the military must be listed on official military documents (i.e., DD214, DD295, and Army/American Council on Education Registry Transcript). Other official military documents may be used as the basis for evaluation at the discretion of the Registrar, given that they contain the elements necessary for evaluation. Those courses that are eligible for evaluation will be awarded college transfer credits consistent with the Registrar and directives issued by Academic Departments.

Additional requirements may be added if deemed helpful to the student. If these requirements are not met, the student will not be allowed to return the following semester.

ACADEMIC INFORMATION ON COURSE CHANGES

ADDING AND DROPPING CLASSES

A student may add or drop a class through the 10th day of the semester by seeing his or her advisor. A student may withdraw from a class through the end of the 10th week of the semester by seeing his or her advisor. Withdrawing from a class after the 10th day of the semester will affect the student's Satisfactory Academic Progress.

Withdrawals after week 10 are not permitted and will result in a failing grade and assessment of full tuition charges.

An online course may not be added after the first start day of the course. Students may drop an online course through the first four days of the course. Any subsequent withdraw will affect the student's Satisfactory Academic Progress.

COURSE CANCELLATION

Any course may be cancelled due to insufficient enrollment.

COURSE SUBSTITUTION/WAIVER

The college reserves the right to substitute or waive a course requirement. Students must complete a Substitution Waiver Form and get approval from their advisor, Department Chair, Sr. VP of Academics & Administration and Registrar.

CHANGING MAJORS

Students who wish to change majors must submit a Program Intent form to the Registrar.

CHANGE OF MAJOR BETWEEN ON-CAMPUS AND ONLINE MAJORS

In order to change a major between on line and on-campus, students not in good academic standing (CGPA and Satisfactory Academic Progress) will be reviewed by the Dean of the College and the Director of Distance Education prior to transfer. Students may appeal if there are extenuating circumstances.

DISMISSAL GRADES

Any student dismissed from the college prior to the 10th week of the semester will have the grade "W" applied to the courses in which they are currently enrolled. These grades do not affect a student's grade point average.

INCOMPLETES

If a student has legitimate reasons for needing an extension, he or she must complete and submit an "Incomplete Form," available from the Registrar's office, before the last day of class for the semester. Reasons recognized include medical emergencies, physical and/or mental illness, family crisis, and in some instances internships /practicums.

All incompletes must be completed by the end of the following semester, with spring semester incompletes to be finished prior to fall semester. Any incompletes remaining at the end of this period will be graded an "F." (An appeal for an extension may be made in extreme extenuating circumstances).

WITHDRAWAL FROM THE COLLEGE

Students needing to withdraw from the college must do so no later than the 10th day of the semester in order for Satisfactory Academic Progress to remain unaffected. If a student withdraws after the 10th day of the semester, the student's Satisfactory Academic Progress will be negatively affected.

Students intending to withdraw from the college must complete the withdraw process prior to the end of the 10th week of the semester deadline. The student is required to contact their academic advisor before beginning this process. The student will need to see the Registrar to fill out the necessary paperwork for withdrawing from the college.

Students who wish to withdraw from the college after the deadline, for non-academic reasons only (e.g., a medical emergency, family crisis, etc.), must see the Registrar to fill out an Administrative Withdraw Appeal. This appeal will require documentation. Once approved, a "W" withdraw will be applied to all courses.

ON-CAMPUS STUDENTS TAKING ONLINE COURSES

Students under academic warning, probation, or conditional entry must have prior approval from their faculty advisor and a designated member of the Student Success Team in order to register for online courses.

FINANCIAL AID

FINANCING THE COST OF EDUCATION AT OHCC

The process of financial aid at Oak Hills Christian College should begin with the student seeking assistance from all possible sources as early as possible. Accepting the challenge to finance a college education is primarily the student's responsibility. Financial Aid comes in a variety of forms - scholarships, grants, loans and work-study. Recipients of such assistance are selected based on need, academic performance, or special qualifications.

The first step to financial aid is completing the Free Application for Federal Student Aid (FASFA). This can be completed in October, prior to the academic year for which they need financial aid. To start the application, go to www.fasfa.ed.gov. **Our FAFSA school code is: 016116.**

This is also a good time to look and apply for outside scholarships. Students receiving financial aid must maintain satisfactory progress toward degree or certificate completion as defined in the catalog. One hundred percent of the students at Oak Hills receive some form of scholarship, grant, work, or loan to help with their college costs. For more information, please contact the Financial Aid Office.

Financial Aid Deadlines: Students must complete their financial aid application process as deemed "completed" by the Director of Financial Aid by the ***20th school day of the semester.*** This date will be exactly 10 school days after the "add/drop" date for the semester.

Students who have not "completed" their financial aid application process will not be allowed to attend classes or extra curricular activities until they have completed their financial aid application process as deemed by the Director of Financial Aid. The Director of Financial Aid reserves the right to make exceptions for special circumstances. The student may appeal their financial aid status with the Dean of the College

The 30th school day, students who still have an outstanding balance on their account must have an external education loan to cover their outstanding balance with the college. The Financial Aid office will be available by appointment to students seeking help with applying for education loans.

By the last day of Mid-terms, students must have their account balance down to zero. Students with unusual circumstances will be permitted to file an appeal with the Business office. Students failing to meet this requirement, or otherwise who have been denied an appeal, will not be allowed to return next semester.

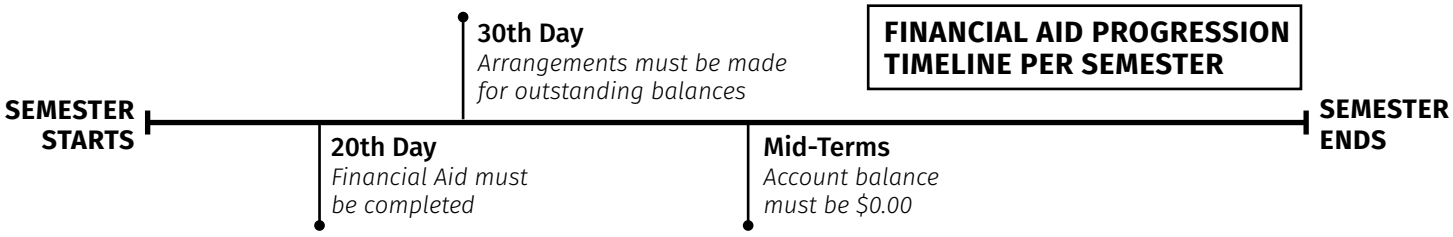
OHCC FINANCIAL AID FORMS

Please contact the Financial Aid Office for the OHCC Financial Aid Application, the OHCC Scholarship Application, and the OHCC Student Employment Application.

SATISFACTORY ACADEMIC PROGRESS

Federal and state regulations require all institutions of higher education to establish standards of Satisfactory Academic Progress (SAP) for students receiving financial aid. The intent of the regulation is to encourage student receiving financial aid to make satisfactory progress toward their certificate or degree.

- All federal and state aid is governed by this policy.
- All programs are governed by this policy. (Traditional and Online programs)
- Satisfactory Academic Progress is reviewed at the end of each semester/term.



- To be making Satisfactory Academic Progress (SAP), all students must declare a program of study, so their progress can be measured.
- Students must meet the standard consisting of minimum grade point average, minimum pace-of-progression, and maximum time frame.

The complete Satisfactory Academic Progress policy is found on pages 13 and 14 of the Academic Catalog.

CURRICULUM

Each academic program of the college provides the context for whole life transformation through biblical life preparation. Students come to learn, learn to serve, and serve to change lives. Through the courses offered in each program, students will develop a Christ-centered worldview and be prepared to make a difference in the world through their lives, work and service to others.

The courses of study in each degree proceed from foundational to exploratory to immersion courses. Areas of study for each degree will include general education, biblical studies, Christian ministry and service, and core courses in the major.

Students will be challenged to grow in their knowledge of self, others, the world and the Bible. They will be challenged to grow in their critical thinking, development of a biblical worldview and the integration of their faith and learning.

BIBLICAL STUDIES

We believe the Bible is God's written word and is His clearest revelation of spiritual truth. The Bible functions as our final authority for matters of faith and practice. Consequently, we make the study of the Bible the focal point of our curriculum.

We teach careful and thoughtful interpretation of the Bible based on the historical, cultural, and literary contexts. Surveys of the entire Bible, as well as in-depth studies of particular parts of it, provide knowledge of its content and give opportunity for assessing its meaning and application for today's world.

The biblical studies curriculum includes both biblical studies courses and interdisciplinary studies where biblical or theological study is embedded within core courses in a major, Christian ministry or general studies. Biblical studies courses can be identified in the course listing as:

BOT – Old Testament
BNT – New Testament
BSA – Biblical Studies Approaches
TH – Theology

CHRISTIAN SERVICE AND MINISTRY

We are committed to the biblical truth that we should love God with our whole being and love others as ourselves. Through our Christian Ministry courses, students will learn to serve God through meeting human needs. The Christian Ministry courses seek to develop students who are followers of Christ and able to reach out to others. These courses seek to provide the necessary knowledge and skills to serve effectively.

Student Outreach and Intercultural Student Outreach programs are an important part of each major. Students will be involved throughout their time at Oak Hills in supervised ministry, outreach and service projects in Bemidji, surrounding communities or further abroad for some intercultural outreach. Outreach programs bridge into practicums and internships in junior or senior years at the college.

Christian Ministry courses can be identified in the course listing as:

CA – Camp Ministry
CM – Christian Ministry (general)
CO – Counseling
IS – Intercultural Studies
LM – Leadership & Ministry
PM – Pastoral Ministry
WA – Worship Arts
YM – Youth Ministry

PROFESSIONAL SERVICE MAJORS

Bachelor of Science degrees prepare students for careers in business, sports management, addiction counseling and applied psychology courses. Courses not identified within Biblical Studies, Christian Ministry or General Education fall here.

GENERAL EDUCATION

In addition to the Bible, God has also revealed knowledge through His created order. In our general education courses we study the nature of being human, human society across time and space, communication, music, art, social and physical sciences and math. General education builds knowledge of the world and our place in it, leading to more meaningful worship of our Creator God and more effective service.

There are a wide variety of courses in the general education curriculum in the domains of communication, humanities, social science, and science/math. All our general education courses are taught by Christian instructors who are committed to a biblical worldview, who hold appropriate credentials and are experienced in their academic fields.

Fall Semester: July 1 – December 18
Spring Semester: January 9 – June 30

TIME OF ENTRANCE

Online degree seeking students may enter their program at any time during the year. Financial awards will be dependent upon the number of credits taken during the term.

COURSE LOAD

Courses are intensive and modular, generally eight weeks in duration and requiring approximately 16 hours/week per course. If students are working full-time, it is highly recommended that only two courses be taken at a time. Exceptions will be considered on a case-by-case basis.

STUDENT ATTENDANCE & PARTICIPATION

All online courses are instructor-led, with weekly assignments and due dates required. Students should meet assignment deadlines regularly and communicate with their instructor regarding any special circumstances. Participation in a class involves being interactive with fellow learners and the instructor, whether in discussion forums, activities or projects.

ACADEMIC INTEGRITY

Oak Hills Christian College stands on the principles of truth and honesty as essential biblical principles for life. It is expected that these principles will be followed in all academic activity. Academic Honesty is an important asset for both an institution of higher learning and an individual learner. A student must always submit work that represents his or her original words or ideas. If any words or ideas are used that do not represent the student's original words or ideas, the student must cite all relevant sources. The student should also make clear the extent to which such sources were used. Words or ideas that require citations include, but are not limited to, all hard copy or electronic publications, whether copyrighted or not, and all verbal or visual communication when the content of such communication clearly originates from an identifiable source.

Academic dishonesty could involve:

- Having a tutor or friend complete a portion of your assignments.
- Having a reviewer make extensive revisions to an assignment.
- Copying work submitted by another student to a public class meeting.
- Using information from online information services without proper citation.
- Unauthorized collaborating or copying another's work.
- Violating copyright laws.
- Sabotaging another student's work.
- Submitting the same assignment for more than one course without prior consent of all instructors concerned.

Academic dishonesty has grave repercussions for the learner. The learner will receive a failed grade on the assignment depending on the severity, accompanied by a report to the academic administration of the college.

A second instance of academic dishonesty will result in a failure of the assignment and the course (if within the same course) and a report to the administration. A third instance of academic dishonesty will result in failure of the course, reporting of the incident to the administration, and removal of the learner from the program. These consequences are cumulative throughout the student's entire Oak Hills experience, not just in an individual course.

RESIDENCE REQUIREMENT

In order to receive the following degrees, the student must complete the indicated hours in courses through OHCC, as opposed to transfer credits or Credit for Prior Learning (CPL). Online degree students should note that there is no requirements to reside physically or take courses on the OHCC campus.

Students must demonstrate they have met the objectives of the course/s to be substituted. The policy and procedures to apply for CPL are available upon request to the Director of Adult & Online Education or Registrar. There is no maximum limit on credit for prior learning for adult and online students, provided that students meet the residence requirement of the college. WITHDRAWAL FROM THE PROGRAM

Adult & Online Education students who need to fully withdraw from their program must do so no later than the first week of their current course in order to maintain satisfactory academic progress and avoid tuition charges for the course. Students will be responsible for full tuition for courses completed prior to withdrawal. Any remaining courses in the term will be removed. If an Adult & Online Education student has legitimate reasons for needing an extension, he or she must request an extension with the instructor and the Director of Adult & Online Education before the end of a course. Any incomplete must be completed within the time agreed upon when an extension is granted, unless a further written extension is allowed by the instructor and the Director of Adult & Online Education. Students requesting an incomplete will not be allowed to enroll in or start further courses after that time until the incomplete course is completed. Any incompletes remaining beyond the end of the agreed extension period will be graded an "F."

DISMISSAL GRADES

Any Adult & Online student dismissed from the college will have a withdraw (W) applied to the course in which they are currently enrolled. This grade does not affect a student's grade point average.

TRANSFER OF CREDIT

Online degree-seeking students who have completed courses in other recognized colleges or universities might receive up to 66 semester hours of credit, depending upon the major. The amount of credit, the courses to be accepted, and the method of evaluation will be determined by the nature of the courses and the type of institution. An applicant who has attended any college or university after graduation from high school must submit an official transcript from each institution. Although the Director of Adult & Online Education will do preliminary transcript evaluations, all evaluations will become official when reviewed by the Registrar.

CERTIFICATE IN RURAL LEADERSHIP & MINISTRY

DISTANCE EDUCATION

PROGRAM DIRECTOR: Dr. Rick Weinert

PROGRAM PURPOSE: This certificate program is designed to provide **foundational preparation and in-ministry training and mentorship to current lay and church leaders** who will provide pastoral leadership in rural town and country churches.

RATIONALE: Most rural or town and country churches are unable to afford a seminary graduate with student debt. Many denominations are uncertain how to assist their smaller, rural churches in finding pastoral leadership. In cooperation with mission agencies and denominational leaders, we believe that Oak Hills Christian College is in a position to service this need.

TARGET STUDENT PROFILE: Non-traditional age (over 25) mid-career or late-career 'finishers' who are prepared for a new phase in ministry; current lay leaders in the Church; prior college experience or life experience. Students with a desire to obtain the education needed to serve in ministry. Men and women identified by church leaders to have a desire to serve in rural ministry.

PROGRAM

- 48 credit program includes 2 years of course work followed by a one year internship.
- Students will be assigned an experienced pastor/teacher as a mentor throughout the program.
- Courses scheduled in two month blocks in a **hybrid online course format.**
- Online coursework, facilitated video-conferenced class time, and occasional face-to-face time on site.
- Courses require study of approximately 10-12 hours/week.
- Sessions arranged across two 6-month terms each year allowing students to seek financial aid.
- Courses will come from three areas: **Ministry Skills, Biblical Studies and Leadership Training.**
- Students with a desire to continue beyond the certificate program will have available options for associate and bachelor level degrees through Oak Hills.
- All coursework will be designed to meet current collegiate level educational standards.
